Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Ohio Department of Children & Youth

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-20-05 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined the program did not protect children from an unsafe item, condition or equipment. The following was observed: extension cord(s); electrical cord(s) attached to an object that could result in a severe injury if pulled. Any hazardous equipment must be removed, replaced, or repaired and any hazardous condition must be corrected and must be made inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that the item or condition has been removed and a statement that training was provided, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/19/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: 08 Staff Files

Rule: 5180-37-04 Preschool Staff Member Medical Statement

Requirement: This rule requires any individual who may have an assigned schedule with a preschool child (or group) or may be used to count in ratio to have evidence of a signed medical statement on file on or before the first day of employment.

Finding: During the inspection and review of staff files, it was determined medical statements for the individuals used to count in ratio listed on the Employee Record Chart did not meet the requirements in that a medical statement was not on file; a statement verifying the individual is free of communicable disease and fit to work with children was missing . Submit the program's corrective action plan, which includes a copy of the medical statement, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/19/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 09 Children's Files

Rule: 5180:2-20-07 Medication Documentation

Requirement: The program staff is required to obtain signed written permission prior to administering topical products and lotions other than hand sanitizer to be used by children older than twenty-four months and lip balm.

Findings: During the inspection, it was determined the program did not ensure parent permission was secured for all topical products as required, in that child birth dates, the specific name of the ointment, and an update every three months must be included. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

In Compliance/Not Verified/Previously Verified/Not Applicable
