Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Child Guidance and Behavior Management

Requirement: The program staff, including the owner and administrator, shall use developmentally appropriate techniques when managing children's behavior. Corporal punishment is prohibited, as well as any cruel, harsh, unusual or extreme techniques.

Finding: During the inspection, it was determined that the [owner/administrator] had used inappropriate techniques when managing unacceptable behavior in children, in that the prohibited technique(s) in number(s) [ ] below were used:

1. Utilize cruel, harsh, unusual, or extreme techniques.
2. Utilize any form of corporal punishment.
3. Delegate children to manage or discipline other children.
4. Use physical restraints on a child.
5. Restrain children by any means other than holding children for a short period of time, such as in a protective hug, so that the children may regain control.
6. Place children in a locked room or confine children in any enclosed area.
7. Confine children to equipment such as cribs or highchairs.
8. Humiliate, threaten or frighten children.

9. Subject children to profane language or verbal abuse.
10. Make derogatory or sarcastic remarks about children or their families.
11. Punish children for failure to eat or sleep or for toileting accidents.
12. Withhold any food (including snacks and treats), rest or toilet use.
13. Punish an entire group of children due to the unacceptable behavior of one or a few.
14. Isolate and restrict children from all activities for an extended period of time.

Child-care staff members and other employees must always use appropriate guidance and management methods with children. Provide staff training.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement that training was provided to all employees, owners, and administrators and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of [ ] child care staff member(s) for [ ] children was determined to have occurred for the [ ] group when the situation in number(s) [ ] below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.

7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.

9. Ratio was doubled for more than two hours while children were napping.

10. Ratio was doubled while children were napping for a group that included at least one infant.

11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.

12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.

13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.

14. The child care staff member did not return to the group after allowing access to the school age only program.

15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Daily Care

Requirement: The program is required to provide infant daily care that meets the requirements of the rule.

Finding: During the inspection, it was determined that the program's infant daily care did not meet the requirements of this rule as noted in number(s) [ ] below:

1. Infants could not safely and comfortably sit, crawl, toddle, or walk and play according to the infant's stage of development.

2. Infants were not removed from the crib, swing, infant seat, exercise seat or other equipment throughout the day for individual attention.

3. Each non-crawling infant was not provided the opportunity for tummy time, outside of their crib, each day.

4. Other [ ].

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
