Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to protect children from any items and conditions which threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined the program did not protect children from unsafe items.

The following was observed:

•A lighter in the cream colored hutch in the kitchen area.

•A pizza cutter in the bottom drawer to the left of the stove.

Any hazardous equipment must be removed, replaced, or repaired and any hazardous condition must be corrected and must be made inaccessible to children. Submit the program's corrective action plan, which includes a statement that the item or condition has been removed, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-02 Information in Ohio statewide licensing system

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: Days and hours of operation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
