Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5180:2-13-11 Outdoor Space
Code: The program is required to have an outdoor play space free from immediate risk.

Findings: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 1 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The latch was not engaged to prevent children from opening the gate.
9. The portable fencing approved for use by the Department was not being used.
10. Other [ ].

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Ohio Department of Children & Youth

Domain: 04 Indoor/Outdoor Space

Rule: 5180:2-13-11 Fall Zone
Code: The program is required to have an adequate fall surface on the outdoor playground.

Findings: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in the following number 1 below:

1. No fall surface
2. Adequate fall surface to soften the impact of a fall
3. Other [ ]

Any equipment designed for climbing, swinging, bouncing, or sliding needs a fall zone of protective material resilient under and around the equipment in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/27/2026

Domain: 05 Health & Safety

Rule: 5180:2-13-16 Communicable Diseases
Code: The program is required to post the Ohio Communicable Disease Chart in a noticeable area.

Findings: During the inspection, it was determined that the Ohio Communicable Disease Chart was not posted as required , as indicated in the number 3 below:

1. In a location readily available to provider, child care staff members, employees, and residents;
2. The chart was not posted.
3. The posted chart was not the current version.
4. The posted chart was not displayed in the size available in the ODJFS forms central to be easily read.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/27/2026

Domain: 08 Staff Files

Rule: 5180:2-13-07 Staff Records
Code: The provider is required to maintain current employee, child care staff members and resident records in the Ohio Professional Registry.

Findings: During the inspection, it was determined that employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 2 below:
1. The provider had not created or updated their individual profile in the OPR.
2. The provider had not created or updated the program's organizational dashboard in the OPR.
3. At least one employee, child care staff member, or substitute child care staff member had not created or updated their individual profile in the OPR.
4. At least one employee, child care staff member, or substitute child care staff member had not created an employment record in the OPR for the program on or before the first day of employment, including date of hire.
5. At least one employee, child care staff member, or substitute child care staff member had not updated changes to positions or roles in the OPR within five calendar days of the change.
6. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's scheduled days and hours changed.
7. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's group assignments changed, if applicable.

Department of Children & Youth

8. The program's organizational dashboard in the OPR was not updated with the employment end date within five business days when at least one employee, child care staff member, or substitute child care staff member ended employment.
9. At least one resident over the age of eighteen had not created a profile and employment record for the family child care provider within five days of becoming a resident or turning eighteen.
10. The program's organizational dashboard in the OPR was not updated within five calendar days of a change in residency for at least one resident over the age of eighteen.
