Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Rule: 5180:2-12-15 Medical/Physical Care Plans
Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number(s) 32,33 below:

1. No plan was on file.

Rule: 5180:2-12-25 Medication Administration
Code: The program is required to store medication out of the reach of children.

Finding: During the inspection, it was determined that a medication, Albuterol, was within the reach of children in the school age room. The medication was stored on the middle shelf of an unlocked, partially open cabinet. All medications must be stored out of the reach of children. Create procedures that assure medications will always be inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Attendance Records
Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 5 below, in that staff with children indoors did not have record of the children in their group. Attendance roster was outdoors with remainder of staff and children:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.
