Department of Children & Youth

# Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

## Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

## Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

**No serious risk non-compliances were observed during this inspection**

## Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-21 Mobile Preschools

Requirement: The program is to ensure the mobile preschool vehicle is approved for use.

Finding:  During the inspection, it was determined that the mobile preschool vehicle or unit was not approved.

The following was observed:

1. The mobile preschool vehicle did not have an approved vehicle inspection on-site. The vehicle used for the mobile preschool is required to be inspected weekly by child care center staff and annually by an automotive service excellence (ASE) certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector, or the Ohio state highway patrol.

2. The vehicle was not a class C recreational vehicle or class C motorhome.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule. Please attach the annual vehicle inspection as required in rule 5180:2-12-14(E)(2). Additionally, please submit information that the vehicle is a Class C vehicle.

Rule: 5180:2-12-21 Mobile Preschools

Requirement: the program is to ensure the mobile preschool vehicle is parked on a level surface and secured with wheel chocks on both sides of at least one avle prior to children arriving for care. Wheel chocks should be rated for the vehicle's weight.

Finding: During the inspection, it was determined that the center did not meet the mobile preschool vehicle requirement in that the vehicle was not secured with wheel chocks on both sides of at least one axle prior to children arriving for care. The program had yet to acquire wheel chocks for the mobile unit.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule. Please submit a statement that the wheel chocks have been purchased and are now being used each time the mobile preschool is being used for care.

## Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

**Domain: 06 Program Information**

Rule: 5180:2-12-21 Mobile Preschools

Requirement: The program is required to follow safety and emergency preparedness requirements.

Finding: During the inspections, it was determined that the center did not meet the safety and emergency preparedness requirements per rule.

The following was observed: The center did not have a DCY approved plan onsite for the following at the program at the time of the inspection:

(a) Child records, including recording attendance and maintaining enrollment information in accordance with rule 5180:2-12-15 of the Administrative Code.

(b) Health care plans and administration of medication procedures in accordance with rules 5180:2-12-16 and 5180:2-12-25 of the Administrative Code.

(c) Always-available communication with the licensed child care center administrator or their designee during hours of operation.

(d) Emergency preparedness and response plan (EPRP), including evacuation and location for reunification with parents, for fire, severe weather, security threats and unexpected incidents.

(e) Transporting children to and from the mobile unit, in the case of an emergency.

(f) Vehicle breakdowns and cancellation policy or location within the center for children to attend when mobile unit is not available.

(g) Unexpected care incidents including, but not limited to, parent failure to pick up a child or staff illness during preschool time.

(h) Conducting monthly drills for fire evacuation, severe weather response, stranger danger scenarios, and security threats.

Written stop location schedules were not on file that are provided to parents and DCY.

Submit the programs corrective action plan to the Department to verify compliance with the requirements of this rule.
