Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation
Code: The program staff is required to serve breast milk to the identified infant labeled on the bottle.

Allegation: Complainant alleged that breast milk was given to the wrong child.

Determination: Substantiated

Findings: During the inspection, it was determined that an infant was served another child's breast milk. The program must ensure there is a system in place to serve the correct breast milk to the correct infant. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule. Based on the information obtained during a thorough investigation, the allegation is substantiated.

Risk Level: Moderate

Corrective Action Plan Due: 01/13/2024
