Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-13-12 Safe Environment
Code: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Findings: During the inspection, a potentially hazardous item or toxic substance was used or stored where children present had access to it as noted in number(s) [ ] below. The potentially hazardous substance or item that posed a risk to children was determined to be accessible to children in 11 & 12.

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-13-03 Inspection Requirements

Code: The program is required to respond to all non-compliances by the date noted in the inspection report.

Findings: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 01/23/2024. The rule requires the program complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/27/2024

Domain: 01 Ratio & Supervision

Rule: 5101:2-13-18 Attendance
Code: The program is required to have a tracking method for children.

Findings: During the inspection, it was determined that the method for tracking the children in the group did not meet the requirements in rule as noted in the number 4 below:

1. There was no method in place.
2. The method did not include each child's name.
3. The method did not include each child's birthdate.
4. The tracking method did not remain with the group at all times.
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/27/2024

Domain: 01 Ratio & Supervision

Rule: 5101:2-13-18 Attendance
Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 3 & 4 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the full name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.

7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
