Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Submit the program's corrective action plan, which includes a statement that training was provided and also a clear plan must be developed to support the program in the morning and afternoon as this is a constant scheduling concern, to the Department to verify compliance with the requirements of this rule.
