Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 00 License & Approvals

Rule: 5180:2-12-04 Building Department Inspection

Requirement: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined that the program was using space for child care in a manner that had not been approved by the Ohio Department of Commerce or the local certified building authority. The following condition(s) was observed:

• The back Preschool 1 room(s) occupancy had been exceeded. Five children were being cared for in this space that had been approved for four children

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed:

• No plan was on file.

• Training instructions for procedures for staff to follow were missing or incomplete;

• Dosage of medication/medical food to be administered was incorrect (did not match RX label);

• Time for medication/medical food to be administered was missing or not attached (indicated as PRN or "as needed" instead of symptoms);

• Signature of parent granting permission to implement the plan and verifying training was missing;

• Date of parent signature was missing;

• Signature of parent granting permission to implement the plan and verifying training was missing;

• Printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing;

• Signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing;

• Date of staff signature was missing;

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Domain: **09 Children's Files**

Rule: 5180:2-12-25 2026 Medication Administration Practices

Requirement: The program staff is required to administer medication following the instructions from physician, parent, or attached prescription label.

Finding: During the inspection, it was determined the program had medication on hand to administer to a child and the written instructions from the physician, parent, or attached prescription label were not followed.

The following was observed:

- Physician instructions were missing as required by rule;
- A prescription label was not attached to the prescription medication.

Provide training to the staff designated to administer medication that the parent's and physician's instructions, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child.

Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: cleaning supplies/equipment (a vacuum cleaner) were accessible to children in the Preschool 1 classroom.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to follow the cleaning schedule for equipment.

Finding: During the inspection, it was determined that the environment, furniture, materials, and/or equipment were not kept in a sanitary condition at all times.

The following was observed: diaper changing stations were not cleaned and sanitized between use.

The center shall be cleaned daily. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good condition, or other barrier. Although the fence or natural barrier was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The fence or gate was not in good condition and/or being used inappropriately.

The following was observed: there were bolts with more than two threads exposed along a fence line and gates on both the Toddler and Preschool playgrounds

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from trash and foreign objects.

Finding: During the inspection, it was determined that the outdoor play space was not free of conditions that pose a risk of harm to children.

The following was observed: There was poison ivy (3 leaves) and possibly poison oak (5 leaves) along the back left fenceline of the Preschool playground.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **05 Health & Safety**

Rule: 5180:2-12-16 Emergency Drills

Requirement: The program is required to complete fire drills, weather drills, and emergency/lockdown drills appropriately.

Finding: During the inspection, it was determined that the required drills were not completed.

The following was observed as not being complete:

- Monthly fire drills.
- Monthly weather emergency drills (March through September).
- Emergency/lockdown drills in each quarter of the calendar year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation - Driver Requirements

Requirement: The program is required to have children and staff practice and document safely exiting vehicles during an emergency.

Finding: During the inspection, it was determined that the program had not conducted and/or documented monthly emergency exiting drills on vehicles with children, including the date of the drill and all staff who transport children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation - Vehicle Requirements

Requirement: The program is required to complete and document weekly inspections of vehicles used to transport children.

Finding: During the inspection, it was determined that the program had not performed and/or documented weekly inspections of vehicles used for transporting children (the most recent documentation available was from May, 2026).

Submit the program's corrective action plan, which includes a copy of the documented weekly inspection of vehicles, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Staff Immunization Records

Requirement: The program is required to have every employee provide immunization records.

Finding: In review of the staff records, it was determined that the immunization records for ( ) of ( ) employees, including child care staff members, did not meet the requirement.

The following was observed:

• The immunization records were not on file within the first thirty days from start of employment.

• The immunization record did not have written evidence that the employee is immunized against measles, mumps, and rubella (MMR)

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements.

The following was observed: verification of completion of a high school education was not on file for two staff.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have a letter from the school district if they studied at home.

Finding: In review of the staff records, it was determined that the child care staff member(s) listed on the Employee Record Chart, who had completed a course of home school education or a graduate of a non-chartered nonpublic school, did not have on file the documentation as required by section 3313.6110 of the Revised Code. Submit the program's corrective action plan, which includes the required documentation, to the Department to verify compliance with the requirements of this rule.

Domain: **09 Children's Files**

Rule: 5180:2-12-25 2026 Medication Storage

Requirement: The program is required to remove all medication, medical foods and topical products that are no longer being administered or have expired. The program is also required to maintain current documentation to administer medications, medical foods and topical products.

Finding: During the inspection, it was determined that medication, medical foods and/or topical products did not meet the requirement(s) for administering medication, medical foods, and/or medical products.

The following was observed; the prescription label had expired.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to use a health care plan form that is equivalent to content to the DCY 01236

Finding: In review of the children's records, it was determined that the DCY 01236 “Health Care Plan Documentation & Permission to Administer Medication” or equivalent form did not meet the requirements of the rule.

The following was observed:

• The form had not been updated as needed and at least annually;

• The program used an old version of the DCY 01236 that did not include full content requirements'

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Finding: In review of 25% of the children's records, it was determined that complete child immunization records were not on file, as required, for children listed on the DCY Children's Record Review for Child Care.

The following was observed:

Immunization record(s) were not on file at the center within thirty days of the child's first day of attendance;

• Immunization record(s) were not updated no more than every thirteen months.

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 “Child Enrollment Form for Early Care and Education Programs” or equivalent form as required.

The following was observed as missing:

- No enrollment form was completed for at least one child;
- Emergency transportation information;
- Parent/guardian’s signature;
- Enrollment forms for were updated after 7/1/26 on the obsolete version of the form.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to use the appropriate form and retain current documentation to administer medications, medical foods and topical products. The program is also required to obtain separate documentation for each medication/product and child.

Finding: During the inspection, it was determined the program did not meet the requirements for administering medication to a child.

The following was observed: the signature date on the documentation of physician's permission for an over-the-counter medication with no label instructions for a child exceeded more than 12 months (had not been updated).

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
