Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff is required to meet each child's basic, developmental, behavioral and special needs.

Allegation: A child has been bitten multiple times due to a lack of supervision.

Determination: Substantiated

Findings: During the inspection, it was determined that child-care staff did not meet the basic needs of a child as noted in number(s) 9,11 below (children not protected from an extreme biting situation, in that the program failed to separate a child to keep them from getting bit, as agreed upon with parent):

1. Assisting children with toileting
2. Assisting children with handwashing
3. Assisting children with basic hygiene
4. Responding appropriately to a child in distress
5. Assisting a child wiping his/her nose
6. Washing a child's face
7. Assisting a child in tying his/her shoes
8. Assisting a child in changing his/her clothes when needed
9. A child's developmental needs were not met
10. A child's behavioral needs were not met
11. Parental preferences, that were not in conflict with a licensing rule, were not followed

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Risk Level: Low

Summary of Additional Non-Compliances

Serious Risk Non-Compliances

No Additional Serious Risk Non-Compliances were observed during this inspection

Department of Children & Youth

Moderate Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Findings: During the inspection, a ratio of 2 child care staff member(s) for 16 children was determined to have occurred for the combined Toddler 1 & Toddler 2 group when the situation in number(s) 7 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/21/2025

Domain:07 Diapering & Infant Care

Rule: 5180:2-12-20 Cribs
Code: The program staff is required to remove any items listed in rule that are a potential suffocation risk from cribs.

Findings: During the inspection, it was determined that a child had been placed in a crib with an object that created a potential strangulation or suffocation risk, as indicated in number(s) 2 below (pacifier clip had a burp cloth attached to it and the child had placed the burp cloth over their face):

1. Bib
2. Pacifier clip/ribbon

3. Teething jewelry
4. Blanket for infant under twelve months old
5. Pillow
6. Boppie
7. Bumper pad
8. Clothing stored in the crib
9. Diaper bag
10. Object or toy strung over the crib in which a child can pull himself up
11. Stuffed animal that is large/soft enough to conform to the shape of the child's face
12. Other [ ]

The rule prohibits any item which obstructs child-care staff's visibility or poses a risk of strangulation or suffocation from being placed on or in a crib. Remove the item(s) immediately. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/21/2025

Low Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5180:2-12-18 Group Size
Code: The program is required to maintain the appropriate group size for each group of children served.

Findings: During the inspection, group size limitations were not maintained for the group of combined Toddler 1 & Toddler 2 as it was determined there were 16 children grouped together. The group size shall not exceed twice the maximum number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
