Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans
Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number(s) 45 below:

1. No plan was on file.

24. Certified Professional Trainer information was missing.
25. Signature of certified professional who trained the program staff was missing, if parent was not the trainer.
26. Date of trainer signature was missing.
27. Printed name(s)of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.
28. Signature(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.
29. Date of staff signature was missing.
30. Administrator/Provider signature was missing
31. Date of administrator/Provider was missing.
(Page 4)
32. Child's name was missing.
33. Name of medication or medical food was missing.
34. Date the medication/medical food was administered was missing.
35. Time medication/medical food was administered was missing.
36. Dosage of medication/medical food that was administered was missing.
37. Signature of person administering medication/medical food was missing.

38. The plan was not followed or implemented.
39. The plan was not able to be implemented due to conflicting information.
40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.
41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.
42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.
43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.
44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
45. A prescription medication did not have a prescription label and page 2 of the JFS 1236 was not completed by a physician and/or physician instructions were not attached.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.
