Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Rule: 5180:2-12-19 Child Guidance

During the inspection, it was determined that a Child Care Staff Member had neglected to appropriately supervise a preschool child when the child left the program unattended and was off the premises of the child care program.
