Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-04 Building Department Inspection

Requirement: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined that the program was using space for child care in a manner that had not been approved by the Ohio Department of Commerce or the local certified building authority. The following condition(s) were observed: the program had modified the infant classroom and changed the egress by adding permanant half walls and gates in the classroom.

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to have all adults and children on trips wear seat belts, or use child restraints if required by law. The program is required to have only one child in each seat belt and have all children under 12 years of age sit in the back seats of the vehicle. The program is required to have all children sitting in a seat on the vehicle with a seat belt, as opposed to standing or sitting on the floor.

Finding: During the inspection, it was determined the program did not follow regulations and/or safety precautions when children were transported.

The following was observed: More than one child was strapped in a seat belt and a child under the age of twelve years old rode in the front seat of the vehicle.

Provide staff training. Submit the program's corrective action plan, which includes assurance that these safety guidelines will be met when children are transported, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart.

The following was observed: Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-02 Current Information

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: phone number and private pay rates.

Submit the program's corrective action plan to the Department to verify compliance with the requirement of the rule.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good condition, or other barrier. Although the fence or natural barrier was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The fence or gate was not in good condition and/or being used inappropriately.

The following was observed: the gate was locked on the outside of the fence.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
