Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Moderate Risk Non-Compliances

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 09 Children's Files

Rule: 5180:2-12-25 2026 Medication Storage

Requirement: The program is required to remove all medication, medical foods and topical products that are no longer being administered or have expired. The program is also required to maintain current documentation to administer medications, medical foods and topical products.

Findings: During the inspection, it was determined the program did not ensure medications or products were removed when they were no longer needed, expired, or had an expired prescription date, as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
