Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Allegation: It was alleged that the program was not maintaining ratio.

Determination: Substantiated

Findings: During the inspection, a ratio of 1 child care staff member(s) for 18 children was determined to have occurred for the School age group when the situation in number(s) 2, 7 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two or more groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to have a second employee present, and used based on the qualifications they meet, when seven or more children are present.

Allegation: It was alleged that the program had no second adult onsite as required by rule.

Ohio Department of Children & Youth

Determination: Substantiated

Findings: During the inspection, it was determined that the program did not meet the rule requirement as noted in number(s) 1 below:

1. The program did not have a second employee or Child Care Staff Member present when required;
2. The program was using a second Child Care Staff Member who was not able to meet this criteria as defined in the rule.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Risk Level: Moderate

Corrective Action Plan Due: 11/01/2025

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Allegation: It was alleged that children were left unattended inside the program.

Determination: Substantiated

Findings: During the inspection, it was determined that children were left unattended while inside the program as noted in number(s) 2 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

A written response for this rule noncompliance is not required at this time.

Risk Level: Low

Ohio Department of Children & Youth

Domain:03 Postings & Equipment

Rule: 5180:2-12-17 Materials and Equipment
Code: The program is required to provide equipment appropriate for the children in the program in sufficient quantities that all children can be actively involved. Play materials must be accessible to the children and arranged in an orderly manner.

Allegation: It was alleged that the program was not providing a variety or sufficient number of materials to children.

Determination: Substantiated

Findings: During the inspection, it was determined that equipment, materials and furnishings provided for indoor and outdoor play did not meet the requirement of the rule as noted in number(s) 1, 2 below.

1. Equipment and materials were not varied and adequate to meet the developmental needs of the children in that younger children grouped in the school age room did not have access to materials that were appropriate for their development.
2. Equipment and materials were not provided in a sufficient quantity that each child can be actively involved in an activity.
3. Play materials were not readily accessible to the children in the [ ] classroom.
4. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the [ ] classroom.
5. Durable, child-sized or safely adapted furniture was not provided for children in the [ ] classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Risk Level: Low

Domain:05 Health & Safety

Rule: 5180:2-12-16 Management of Communicable Disease
Code: The program is required to notify parents of children exposed to a communicable disease by the end of the next day.

Allegation: It was alleged that parents were not notified of exposure to a communicable disease.

Determination: Substantiated

Findings: During the inspection, it was determined that parents were not informed by the end of the next day of program operation that their child had been exposed to a communicable disease in that a notice was sent to the Toddler classroom parents on 9/4/25 of an exposure, but not to the Infant Room parents when an additional case was reported in their room on 9/22/25. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Low Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5180:2-12-18 Group Size
Code: The program may combine all age groups when there are twelve or fewer children in the center.

Findings: During the inspection, it was determined groups which included children less than two and one half years were combined with groups of children two and one half years and older and there were more than 12 children in the center. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Corrective Action Plan Due: 12/05/2025

Domain:01 Ratio & Supervision

Rule: 5180:2-12-18 Attendance Records
Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.

Ohio Department of Children & Youth

6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/01/2025

Domain:05 Health & Safety

Rule: 5180:2-12-22 Safe Food Handling/Storage
Code: The program is required to store and serve food in a safe manner.

Findings: During the inspection, it was determined that food was not stored in a safe manner as noted in number(s) 2 below:

1. The refrigerator did not maintain a temperature of 40 degrees Fahrenheit or below.
2. Milk was not refrigerated for at least approximately 45 minutes before being served.
3. Food was observed thawing on the counter.
4. Spoiled food was served to children.
5. Other:
