Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5180:2-12-15 Medical/Physical Care Plans
Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Ohio Department of Children & Youth

40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.
41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.
42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.
43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.
44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/29/2025

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number 1, 4 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: [ ].

A staff member was changing a child's diaper in the restroom in the older toddler/young preschool room, while children were in the classroom. Children were not within sight of the staff member. Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/29/2025

Domain: 05 Health & Safety

Rule: 5180:2-12-22 Meal and Snack Requirements
Code: The program is required to provide food that does not pose as a choking hazard and is appropriate for the age of the children.

Finding: During the inspection, it was determined that an infant, under 12 months of age, was served whole mini corndogs, which posed a choking hazard. The vegetable served was not cut into small pieces, which was not age appropriate. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-08 Medical Statement
Code: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in numbers 5 (a-c), 6 (a) below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
a. Physically fit for employment in a program caring for children;
b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing:
a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
b. Results of a TB test for employees meeting both criteria in 6a.
c. Results of additional testing for employees with a positive TB test.

d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements
Code: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements as listed in numbers 2, 3, 4 below:

1. Verification of completion of a high school education was not on file.
2. Documentation was incomplete or not on file for a high school junior or senior who is enrolled in a career-technical program.
3. Documentation was not on file for a high school junior or senior who is also enrolled in a college credit program in child development or early childhood education.
4. Documentation was not on file for a high school junior or senior who is enrolled in a Child Development Associate (CDA) training program.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/29/2025

Domain: 08 Staff Files

Rule: 5180:2-12-08 Orientation Training & Whistle Blower Protection
Code: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

Finding: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training as noted in number 4 below:

Department of Children & Youth

1. The training was not completed within 30 days of starting employment at the program as a child care staff member.
2. Documentation of completing the training after December 31, 2016 was not on file.
3. Completion of the training was not verified in the OPR.
4. A child care staff member had sole responsibility of children and had not completed the online orientation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
