Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, required staff/child ratios were not maintained for the same group/different groups on multiple occasions, as noted below:

The ratio determined for the mixed-age group was 1 Child Care Staff Member for 8 children. Additionally, a ratio of 1 Child Care Staff Member for 8 children was determined for the same group.

Additional staff members must be hired or current Child Care Staff Members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Enrollment: 1 Younger Toddlers, 1 Older Toddlers, Preschool 6, School-Age 3

Corrective Action Plan Due: 05/14/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 and 2 below:

1. A Preschool Child was left unattended with a School-Aged child once.

2. Children were left unattended more than once.

3. Child(ren) left the group and were unattended.

4. Child care staff were using a baby monitor to supervise children.

5. Child care staff were using a walkie talkie to supervise children.

6. Child care staff were using mirrors to view children in another room.

7. Child care staff were using a video camera instead of physically being present in the room.

8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Fall Zones

Requirement: The program is required to provide adequate fall surface for the outdoor play space.

Finding: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in number 2 below:

1. No fall surface

2. Adequate fall surface to soften the impact of a fall

3. Adequate fall surface to soften the impact of a fall that extended the length of the required fall zone

4. Other [ ]

With any equipment designed for climbing, swinging, bouncing, or sliding, resilient material, as specified in Appendix A, needs to be added in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the persons listed on the Employee Record Chart as noted in numbers 2 and 3 below:

1. The request for a background check for child care was not submitted in the OPR.

2. The fingerprints were not submitted electronically according to the process established by BCI.

3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.

4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served with child care staff members who meet the requirements.

Finding: During the inspection, it was determined that children were being supervised by an individual who did not meet the requirements of a child-care staff member or was not at least two years older than the children. Additional child-care staff members must be hired or current child-care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to provide a clean restroom with the appropriate materials available.

Finding: During the inspection, it was determined that unsanitary conditions, as noted in number 1, 2 and 3 below, were in the Children's restrooms:

1. There was no liquid soap.

2. There was no toilet paper.

3. There were no paper towels.

4. The toilet cleaning brush was accessible to the children.

5. The plunger was accessible to the children.

6. The toilet(s) were not flushed.

7. The trash was not emptied from the day before.

8. There was a strong urine odor.

9. Other [ ].

The restroom(s) must be kept sanitary at all times. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as listed in number 5 below, as required in rule.

1. At least one staff/child did not wash their hands upon arrival for the day.

2. At least one staff/child did not wash their hands prior to departure.

3. At least one staff did not wash their hands upon entry into a classroom.

4. At least one staff/child did not wash their hands after toileting or assisting a child with toileting.

5. At least one staff/child did not wash their hands after each diaper change or pull-up change.

6. At least one staff did not wash their hands after contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.

7. At least one child did not wash their hands after contact with bodily fluids.

8. At least one child did not wash their hands after returning inside after outdoor play.

9. At least one staff did not wash their hands after cleaning or sanitizing or using any chemical products.

10. At least one staff/child did not wash their hands after handling pets, pet cages or other pet objects that have come in contact with the pet.

11. At least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child.

12. At least one child did not wash their hands before eating or assisting with food preparation.

13. At least one staff did not wash their hands before and after completing a medical procedure or administering medication.

14. At least one child did not wash their hands after water activities.

15. At least one staff/child did not wash their hands when visibly soiled (must use soap and water).

16. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to conduct and document quarterly inspections of their outdoor play space.

Finding: During the inspection, it was determined that quarterly inspections of one or more outdoor play areas and equipment had not been completed and documented as required, using the JFS 01281 "Child Care Playground Inspection Report" form. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from trash and foreign objects.

Finding: During the inspection, it was determined that the outdoor play space was not free of trash or foreign objects as noted in number 8 below:

1. The outdoor area was littered with trash.

2. The trash can was missing a lid.

3. The trash can was not emptied from the day(s) before.

4. The trash can was overflowing with trash.

5. The trash can was infested with insects.

6. The trash can was visibly dirty.

7. There was broken glass.

8. There were tall weeds.

9. There was poison ivy.

10. There were tree branches.

11. There was mold visible.

12. There were thistles with prickers.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-23 Diapering and Toilet Training

Requirement: The program staff is required to have adequate supplies for diapering available.

Finding: During the inspection, it was determined the required supplies were not available for diaper changing as noted in number 1, 2, below:

1. There was no disposable separation material used;

2. There was no germicidal solution for sanitizing used

3. There were no plastic containers or bags for the storage of soiled clothing;

4. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Professional Development Requirements

Requirement: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Finding: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement as noted in number 1 below:

1. The child care staff member(s) had not completed at least six hours of professional development.

2. Documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule.

3. Training topic did not meet the requirements listed in appendix A of this rule.

4. Documentation of training did not meet the requirements of this rule.

5. The substitute(s) had been used more than ninety days annually between July first and June thirtieth and had not completed at least six hours of professional development

6. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number 4, 5 and 6 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.

2. First aid training was not completed within ninety days of hire.

3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.

4. The child abuse and neglect recognition and prevention training was expired.

5. The first aid training was expired.

6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Medical Statement

Requirement: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number 1 below.

1. A medical statement was not on file for at least one employee;

2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;

3. Date of examination was missing;

4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
