Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-20 Cribs - Safe Environment and Practices

Requirement: The program staff is required to remove any items listed in rule that are a potential suffocation risk from cribs.

Finding: During the inspection, it was determined that a child had been placed in a crib with a bib on that created a potential strangulation or suffocation risk.

The rule prohibits any item which obstructs child-care staff's visibility or poses a risk of strangulation or suffocation from being placed on or in a crib. Remove the item(s) immediately. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-20 Cribs - Safe Environment and Practices

Requirement: The program is required to place infants in cribs while sleeping.

Finding: During the inspection, it was determined that the equipment had been used for sleeping infants and did not allow the infant to sleep on a firm mattress.

The following equipment was used: a baby seat.

Infants must be provided with a crib, which meets requirements specified in this rule, for resting and sleeping. Provide staff training. Submit the program's corrective action plan, which includes a statement that staff training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have documentation from DCY, indicating the individual is eligible to be employed in child care, on file before allowing the staff to have sole responsibility of children.

Finding: During the inspection, it was determined that child care staff member(s) had sole responsibility of children in the toddler group(s) and neither a preliminary approval nor the DCY 01176 "Program Notification of Background Check Review for Child Care" were on file as required.

Submit the program's corrective action plan, which includes a copy of the DCY 01176 or a statement that the child care staff member(s) no longer have sole responsibility of children, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised.

The following was observed: staff could not see children sleeping on their cots from where they were sitting.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as required in rule.

The following was observed: children did not wash their hands before eating lunch.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-12-17 Daily Schedule

Requirement: The program is required to have a balance of activities daily.

Finding: During the inspection, it was determined that the infant classroom did not have a well-balanced program.

The following was observed: infants were sitting and watching television for an extended period of time.

A well-balanced program of activities suitable to the developmental levels and abilities of each child in care shall be implemented on a daily basis. Submit the program's corrective action plan to the Department to verify compliance with the requirements of the rule. In addition to responding in writing in OCLQS, please e-mail the following items to Margaret.Agoston@childrenandyouth.ohio.gov by the deadline to satisfy the corrective action requirements: a new schedule and evidence that each staff member has been trained and understand that babies must have an opportunity for quiet and active play and cannot be in seats/watching TV for extended periods of time.

Corrective Action Plan Due: 10/01/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Daily Care

Requirement: The program staff is required to hold infants or have the infant sitting up while feeding. The program staff may not place an infant in a crib with a bottle.

Finding: During the inspection, it was determined that the program did not meet the requirements for bottle feeding.

The following was observed: infants were observed with bottles in their cribs.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 08 Staff Files

Rule: 5180:2-12-10 Professional Development Requirements

Requirement: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Findings: During the inspection, it was determined staff did not complete professional development as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Findings: During the inspection, it was determined the program's policies and procedures handbook does not contain all items as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. Additions should include:

1. Program's written security plan that ensures access to the center is limited to parents and guardians of children in care and authorized persons.

2. Policy for care of children without immunizations.

3. Policy to prohibit center employees from exposing children to inappropriate language, media or behavior.

4. Appendix C.

5. Policy regarding formal screenings & assessments on enrolled children and if the program reports data to DCY.

6. Social media policy including but not limited to addressing publication of child photos or other identifying information.

7. Policy regarding usage of emergency medical devices and emergency medications, including but not limited to Automated External Defibrillators (AED) and Naloxone.

A written response is not required at this time.
