Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 11 children was determined to have occurred for the Toddler/Preschool group when the situation in number(s) 2 below occurred:

1. A child care staff member stepped out of the room.

2. A child care staff member had not arrived at work on time.

3. Children were present who were not scheduled to be there.

4. A child care staff member was unable to work.

5. A child was injured in that group.

6. A child arrived in the group before a second staff member was scheduled to arrive with the group.

7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.

9. Ratio was doubled for more than two hours while children were napping.

10. Ratio was doubled while children were napping for a group that included at least one infant.

11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.

12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.

13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.

14. The child care staff member did not return to the group after allowing access to the school age only program.

15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined the program did not protect children from an unsafe item, condition or equipment noted in number(s) 17 below:

1. Closed ended pull cord(s) on the window blind(s)

2. Extension cord(s); electrical cord(s) attached to an object that could result in a severe injury if pulled.

3. Stacked tables.

4. Folding tables.

5. Matches and/or a lighter.

6. Power tool(s).

7. Live wires.

8. Stove(s) that are either on or able to be turned on by a child.

9. Asbestos.

10. Traffic.

11. A body of water.

12. A well.

13. Environmental hazard(s) confirmed by local authorities having jurisdiction over the hazard.

14. A crockpot used to heat bottles.

15. Immediate access to a knife.

16. Large or heavy pieces of shelving units are not securely anchored to the wall.

17. Other- access to a bottle warmer.

Any hazardous equipment must be removed, replaced, or repaired and any hazardous condition must be corrected and must be made inaccessible to children. Provide staff training. Submit the program's corrective action plan, which

includes a statement that the item or condition has been removed and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/06/2025

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2 below:

1. No attendance record was being maintained.

2. The attendance record was not being consistently completed.

3. The record did not include the name of at least one child.

4. The record did not include the birth date of at least one child.

5. The record did not include the assigned group.

6. The record did not include the child's weekly schedule.

7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.

8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/06/2025

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 1 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: [ ].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to provide equipment and materials that are easy to clean.

Finding: During the inspection, it was determined that at least one piece of equipment, furnishings, or material at the program was not constructed of materials to facilitate cleaning as noted in number(s) 1 below:

1. The material had a tear.
2. The material was not washable.
3. The material was porous.
4. The surface was cracked.
5. The surface was repaired, but in a manner that still did not facilitate cleaning.
6. Other [ ].

Equipment, furnishings, and furniture shall be constructed of materials to facilitate cleaning. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as listed in number(s) 4 below, as required in rule.

1. At least one staff/child did not wash their hands upon arrival for the day.

2. At least one staff/child did not wash their hands prior to departure.

3. At least one staff did not wash their hands upon entry into a classroom.

4. At least one staff/child did not wash their hands after toileting or assisting a child with toileting.

5. At least one staff/child did not wash their hands after each diaper change or pull-up change.

6. At least one staff did not wash their hands after contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.

7. At least one child did not wash their hands after contact with bodily fluids.

8. At least one child did not wash their hands after returning inside after outdoor play.

9. At least one staff did not wash their hands after cleaning or sanitizing or using any chemical products.

10. At least one staff/child did not wash their hands after handling pets, pet cages or other pet objects that have come in contact with the pet.

11. At least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child.

12. At least one child did not wash their hands before eating or assisting with food preparation.

13. At least one staff did not wash their hands before and after completing a medical procedure or administering medication.

14. At least one child did not wash their hands after water activities.

15. At least one staff/child did not wash their hands when visibly soiled (must use soap and water).

16. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Medical Statement

Requirement: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 1, 3, 4, 5(b)(c) below.

1. A medical statement was not on file for at least one employee;

2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;

3. Date of examination was missing;

4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;

5. A statement was missing that verifies the employee is:

a. Physically fit for employment in a program caring for children;

b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);

c. Immunized against Measles, Mumps, and Rubella (MMR);

6. Tuberculosis (TB) screening/test information was missing:

a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.

b. Results of a TB test for employees meeting both criteria in 6a.

c. Results of additional testing for employees with a positive TB test.

d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
