Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 04 Indoor/Outdoor Space

Rule: 5180:2-12-11 Outdoor Play Fall Zones

Requirement: The program is required to provide adequate fall surface for the outdoor play space.

Finding: During the inspection, it was determined that the playground did not have adequate shock-absorbing surface under and around playground equipment.

Any equipment designed for climbing, swinging, bouncing, or sliding should not be placed over, or immediately next to, hard surfaces such as asphalt, concrete, dirt, grass, or flooring covered by carpet or gym mats not intended for use as as surfacing for climbing equipment. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the shock-absorbing surface added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/07/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed: One staff person had not completed the health trainings.

1. First aid and CPR trainings were not completed within the first 90 days of hire as required.

2. Child abuse and neglect recognition and prevention training were not completed within the first 60 days of hire as required.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Immunization and Enrollment Records

Requirement: The program is required to have complete child immunization records on file.

Findings: During the inspection, it was determined child's immunization records were not on file or updated annually as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

All children had the JFS 1305 on file signed by a physician stating that the children were immunized according to the requirements on the form.
