Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Building Department Inspection
Code: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number(s) 5 below:

1. The [ ] room or space was not approved.
2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [ ] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. 57 children were being cared for and the building had been approved for 51 children.
6. The [ ] room(s) occupancy had been exceeded. [ ] children were being cared for in this space that had been approved for [ ] children.
7. Care was provided to [ ] children less than two and one-half years of age. This violated the program's building code limitation in that, [ ].

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-04 Fire Inspection
Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [ ] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Domain: 00 License & Approvals

Rule: 5101:2-12-18 License Capacity
Code: The program is required to maintain the capacity that is indicated on the license.

Finding: During the inspection, it was determined that there were 57 total children with 10 children under 2 1/2. The program is currently licensed to serve 36 total children, with no more than 21 children under 2 1/2. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/07/2023

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, required staff/child ratios were not maintained for the same group/different groups on multiple occasions, as noted below:

The ratio determined for the School-Age group was 1 Child Care Staff Member(s) for 23 children. Additionally, a ratio of 1 Child Care Staff Member(s) for 10 children was determined for the Toddler group.

Additional staff members must be hired or current Child Care Staff Members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 06 Program Information

Rule: 5101:2-12-14 Transportation - Vehicle Requirements
Code: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Finding: During the inspection, it was determined the program used a vehicle to transport children that was not approved and/or did not have a current annual vehicle inspection indicating the vehicle was mechanically safe as noted in number(s) 4 below:

1. The program used a converted cargo van or passenger vans designed to carry ten or more passengers. The program must cease the use of this vehicle immediately.

2. The vehicle was not inspected.
3. The vehicle was inspected by someone other than an ASE certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector or the Ohio State Highway Patrol.
4. The vehicle inspection was not updated annually (Honda Odyssey VIN 1902).
5. The vehicle inspection completed from the Ohio Highway Patrol did not meet the rule requirement.
6. The annual safety check of the vehicle(s) used by the program to transport children noted repairs or corrections that had not been completed and/or documented. The safety violations need to be corrected immediately.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the JFS 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/07/2023

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 1 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: [ ].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/07/2023

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records
Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2; 4 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.

7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Fluid Milk Requirements
Code: The program is required to serve age-appropriate fluid milk or obtain written documentation when serving substitutions for fluid milk.

Finding: During the inspection, it was determined that required documentation for substitutions for fluid milk was not on file as noted in number(s) 3; 4 below:

1. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants up to 12 months of age are served anything other than formula or breast milk.
2. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants and toddlers 12 months of age up to 24 months of age are served anything other than unflavored whole homogenized vitamin D fortified cow's milk, breast milk, or non-cow milk substitution that is nutritionally equivalent to milk.
3. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when toddlers and children 24 months of age and older are served anything other than unflavored one per cent milk that is vitamin A and D fortified, unflavored fat free or skim milk that is vitamin A and D fortified, or non-cow milk substitutions that are nutritionally equivalent to milk.
4. Written parental consent for non-cow milk substitutions that are nutritionally equivalent to milk for children 12 months of age and older.
5. The program did not have the type of milk on-site to ensure that all children were served age-appropriate fluid milk.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs
Code: The program is required to provide cribs with mattresses in good condition and sheets that are not too large or too small for the crib.

Finding: During the inspection, it was determined that sheets, mattresses and/or mattress covers did not meet the rule requirement as noted in number(s) 2 below:

1. At least one crib did not have a sheet.
2. At least one sheet was too large.
3. At least one sheet was too small.
4. At least one sheet was torn.
5. The mattress was not at least one and one-half inches thick.
6. The mattress was not firm.
7. There was space between the mattress and the sides and end panels of the crib which exceeded one and one-half inches.
8. The mattress cover was not waterproof.
9. The mattress cover was torn.
10. Other: [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs
Code: The program is required to provide a safe and sufficient barrier to separate the play and sleeping space.

Finding: During the inspection, it was determined that the barrier between the play and sleeping space did not meet the requirements as noted in number(s) 6 below:

1. No barrier had been provided
2. The barrier did not prevent the infants from entering the sleeping area.
3. The barrier was not safe.
4. The barrier was not sturdy.
5. The barrier impaired staff's ability to see and hear all sleeping infants in their cribs.
6. The barrier was inadequate.
7. Other [ ].

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Orientation Training & Whistle Blower Protection
Code: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

Finding: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training as noted in number(s) 1 below:

1. The training was not completed within 30 days of starting employment at the program as a child care staff member.
2. Documentation of completing the training after December 31, 2016 was not on file.
3. Completion of the training was not verified in the OPR.
4. A child care staff member had sole responsibility of children and had not completed the online orientation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/07/2023

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement
Code: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 1; 2; 5b & 5c below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;

4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
a. Physically fit for employment in a program caring for children;
b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing:
a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
b. Results of a TB test for employees meeting both criteria in 6a.
c. Results of additional testing for employees with a positive TB test.
d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
