# Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

## Complaint Allegations

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

**Domain: 02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment
Code: The program is required to follow the cleaning schedule for equipment.

Allegation: The program is unclean. Vents in the classrooms are full of dust and dirt.

Determination: Substantiated

Findings: During the inspection, it was determined that the environment, furniture, materials, and/or equipment were not kept in a sanitary condition at all times.

The following was observed: Vents in the classrooms were covered in dirt and dust potentially obstructing the circulation of air.

The center shall be cleaned daily. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

Corrective Action Plan Due: 09/23/2026

## Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). ## Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

**No serious risk non-compliances were observed during this inspection**

## Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to an increased risk of harm to a child and is observable and/or based on facts.

**No moderate risk non-compliances were observed during this inspection**

## Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

**Domain**: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: Unsafe floors in Preschool and Toddler classrooms. Flooring was coming up causing a potential tripping hazard.

The exterior door in the toddler classroom is rusted and has a hole in in creating a safety hazard when children are coming inside from the playground.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
