Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored where children present had access. The potentially hazardous substances that posed a risk to children was determined to be accessible to children.

The following was observed:

•Cleaning agent and lotion in the bathroom under the sink

•In the laundry room in the basement there was bleach, shout stain remover and tide pods

•In the main child care space (basement) there was prescription ointment on the ledge to the left of the couch and a fan on the floor that was on that the openings are large enough for fingers to fit in.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/06/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **05 Health & Safety**

Rule: 5180:2-13-22 Meals and Snacks

Requirement: The program is required to refrain from using television, computers, or other devices during meals and snacks.

Finding: During this inspection it was determined that television and tablets were on during lunch. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 09/06/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-10 Professional Development

Requirement: The program is required to ensure child care staff, including substitutes used more than ninety days annually, complete at least six clock hours of training annually.

Finding: In review of the staff records, it was determined that the provider did not meet the annual professional development requirement.

The following was observed: The provider had not completed at least six hours of professional development.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-13-13 Clean environment and equipment

Requirement: The program is required to ensure that toilets are flushed after each use.

Findings: During the inspection, it was determined the program did not ensure that there were paper towels or individually labeled hand towels and a stool to ensure that all children can reach the sink to wash there hands. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
