Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-02 Information in Ohio statewide licensing system

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: the program's hours of operation. Additionally, the services offered list states that the program offers evening care (7pm-12am). This is not the case and needs removed from the services offered list.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/30/2026

Domain: **00 License & Approvals**

Rule: 5180:2-13-03 Inspection Requirements

Requirement: The program is required to respond to all non-compliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 2-20-2026. The rule requires the program complete and submit a corrective action plan in the Ohio statewide licensing system to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/30/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to store alcohol in a space not used by children.

Finding: During the inspection, it was observed that a sealed container of alcohol was observed in a space approved or used for child care.

The following was observed: sealed wine bottles were present in the fridge, located in the kitchen.

These items must be removed or stored in space not approved or used for children as required. Submit the program's corrective action plan to verify compliance with this rule.

Corrective Action Plan Due: 08/30/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Outdoor Space

Requirement: The program staff is required to protect the children from hazardous conditions in the outdoor play area.

Finding: During the inspection, it was determined that hazardous conditions existed in the outdoor play area.

The following was observed: exposed nails in one panel of fencing.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 08/30/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have a completed emergency preparedness and response plan.

Finding: During the inspection, it was determined the program's written emergency preparedness and response plan did not meet the requirement or was missing the information.

The following was observed missing: The EPRP did not include a section regarding procedures for a medical or dental emergency, including emergency transportation or emergency numbers for medical, dental, and transport related emergencies in addition to 911. In addition, the EPRP did not state that the basement is the shelter in place area in each section pertinent to the shelter in place area; section 2. b) "Procedures to follow to assist children with special needs and/or health conditions and accommodate infants and toddlers during disasters or emergencies" did not include toddlers; and section 2. e) "Procedures for caring for children if a disaster occurs during transportation, such

as during a field trip or routine trip" does not specify that the provider only offers walking trips. Lastly, the EPRP was not updated annually.

Submit the program's corrective action plan, which includes the missing information, if applicable, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/30/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 03 Postings & Equipment

Rule: 5180:2-13-16 Medical, Dental, and General Emergency Plan

Requirement: The program is required to post emergency phone numbers.

Findings: During the inspection, it was determined that emergency numbers were not posted in all spaces used by children as required. Technical assistance was offered to support compliance. As discussed, please post the local phone number for the emergency squad, hospital, police department, fire department, poison control, Public Children's Service Agency, health department, and Emergency Management Agency in each room children have access to. A written response is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5180:2-13-07 Written Policies and Procedures

Requirement: The program is required to have policies and procedures for all items listed in this rule.

Findings: During the inspection, it was determined the program's policies and procedures handbook did not contain all items as required. Technical assistance was offered to support compliance. As discussed, please add procedures for resolving issues with parents or employees in section 6 of the General Information; a written security plan that ensures access to the home is limited to parents/guardians/authorized persons; policies regarding usage of emergency medical devices and emergency medications; and policies to prohibit staff members/employees from exposing children to inappropriate language/media/behavior. A written response is not required at this time.
