# Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

## Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

**Domain: 01 Ratio & Supervision**

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 17 children was determined to have occurred for the Toddlergroup when the situation in number(s) 7 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 1, 3, 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/01/2023

**Domain: 09 Children's Files**

Rule: 5101:2-12-15 Medical/Physical Care Plans
Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number(s) 14, 39 below:

13. Time for medication/medical food to be administered was missing or not attached.
14. Expiration date for medication/medical food was missing or not attached.
15. Symptoms that require staff to administer medication/medical food were missing or not attached.
16. Specific instructions to administer the medication/medical food were missing or not attached.
17. Actions to be taken if the symptoms do not subside were missing or not attached.
18. Physician's signature was missing or not attached.
19. The date of the physician's signature was missing or not attached.
(Page 3)
20. Child's name was missing.
21. Instructions regarding emergency evacuation, if applicable, were missing.
22. Signature of parent granting permission to implement the plan and verifying training was missing.
23. Date of parent signature was missing.
24. Certified Professional Trainer information was missing.
25. Signature of certified professional who trained the program staff was missing, if parent was not the trainer.
26. Date of trainer signature was missing.
27. Printed name(s)of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.
28. Signature(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.
29. Date of staff signature was missing.

30. Administrator/Provider signature was missing
31. Date of administrator/Provider was missing.
(Page 4)
32. Child's name was missing.
33. Name of medication or medical food was missing.
34. Date the medication/medical food was administered was missing.
35. Time medication/medical food was administered was missing.
36. Dosage of medication/medical food that was administered was missing.
37. Signature of person administering medication/medical food was missing.
38. The plan was not followed or implemented.
39. The plan was not able to be implemented due to conflicting information. (missing spacer that is required in instructions)
40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.
41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.
42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.
43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.
44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.
