Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored where children present had access. The potentially hazardous substance or item that posed a risk to children was determined to be accessible to children.

The following was observed: Cleaning chemicals observed to be accessible under the kitchen sink.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/22/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Carbon Monoxide Detectors - Type B Only

Requirement: The program is required to meet all requirements for carbon monoxide detectors.

Finding: During the inspection, it was determined that the Type B Home did not have a working carbon monoxide detector in the basement and on the main level of the home. A working carbon monoxide detector must be placed, installed, tested, and maintained in accordance with manufacturer's recommendations. Submit the program's corrective action plan to verify compliance with this rule.

Corrective Action Plan Due: 10/22/2026

Domain: **09 Children's Files**

Rule: 5180:2-13-15 Health Conditions

Requirement: The program is required to have a completed DCY 01236 "health Care Plan Documentation & Permission to Administer Medication" or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed:

- Information on page one missing

- Staff/provider signature missing on page 3

- Medication name missing on top of page 4

- Plan needs updated to reflect that medication does not need administered by the program

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.
