# Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

## Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

**Domain: 01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 childcare staff member(s) for 10 children was determined to have occurred for the preschool group that contained two 2.5 year olds when the situation in number 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.

Ohio Department of Children & Youth

10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain: 05 Health & Safety**

Rule: 5180:2-12-22 Meal and Snack Requirements
Code: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack at the program did not meet the requirements as noted in number 1 below:

1. The breakfast served did not include foods from three of the four food groups.
2. Snack served did not include foods from two of the four food groups.
3. The meal did not provide 1/3 of the recommended daily dietary allowances as specified by the USDA.
4. Juice used to meet the fruit or snack component was not 100% undiluted fruit or vegetable juice.
5. The meal served did not include an item from the meat or meat alternative group.
6. The meal served did not include an item from the bread or grain group.
7. The meal served did not include two items from the fruit/vegetable group.
8. The meal served did not include a vegetable (two fruits were served).
9. The meal served did not include a serving of fluid milk.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

**Low Risk Non-Compliances**

**Domain: 00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements
Code: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 8-7-24. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.
