Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: name of the condition was missing; name of the medication/medical food was missing or not attached; dosage of medication/medical food to be administered was missing or not attached; time for medication/medical food to be administered was missing or not attached; printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; date of staff signature was missing; medication listed in the procedures was not onsite and alternate instructions for this situation were not included on the plan

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: Cord stretched causing a tripping hazard in 011 and PS classrooms.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as required in rule.

The following was observed: at least one staff/child did not wash their hands upon arrival for the day; at least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-12-17 Materials and Equipment

Requirement: The program is required to provide equipment appropriate for the children in the program in sufficient quantities that all children can be actively involved. Play materials must be accessible to the children and arranged in an orderly manner.

Finding: During the inspection, it was determined that equipment, materials and furnishings provided for indoor and outdoor play did not meet the requirement of the rule.

The following was observed: play materials were not readily accessible to the children in classroom 011.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of the rule.

Corrective Action Plan Due: 11/22/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing formula for a particular infant were not labeled with the child's name and date of preparation. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to have medication, medical foods and topical products labeled with the child's name.

Finding: During the inspection, it was determined that a medication, medical food or topical product was at the program which had not been labeled with the child's name. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to use a health care plan form that is equivalent to content to the DCY 01236

Finding: In review of the children's records, it was determined that the DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form did not meet the requirements of the rule.

The following was observed: a separate form had not been used for each condition

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to ensure that there is at least one child care staff member who has signed the DCY 01236 or equivalent form caring for the child at all times when a child with a health condition is present.

Finding: During the inspection, it was determined a child with a condition that required a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form had been present and the program did not ensure there was at least one child care staff member caring for the child at all times who had signed the form on the child's condition. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 “Child Enrollment Form for Early Care and Education Programs” or equivalent form as required.

The following was observed as missing: complete child information; complete parent information; enrollment form for at least one child was not updated by either the parent or the administrator

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program’s emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: [FTO-C78]

Make the necessary revisions to the EPRP. Submit the program’s corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 03 Postings & Equipment

Rule: 5180:2-12-16 Emergency Postings

Requirement: The program is required to post emergency phone numbers.

Findings: During the inspection, it was determined emergency numbers are not posted in all spaces used by children as required. Please add a number in addition to 911 to EMS. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-10 Health Training Requirements
