Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-02 Current Information

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: Services Provided

Submit the program's corrective action plan to the Department to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 10/31/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals and cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Finding: During the inspection, a potentially hazardous substance, which was determined to not present a serious risk to a child, was not used or stored properly.

The following was observed: Other potentially hazardous substance ant traps were accessible to children in the lunch area.

Provide staff training. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed: The first aid and CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Professional Development Requirements

Requirement: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Finding: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement.

The following was observed: The child care staff member(s) had not completed at least six hours of professional development.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements

Requirement: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained.

The following was observed: At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.

At least one individual's employment had not been end dated.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements

Requirement: The program is required to maintain a staff schedule with coverage of the required health trainings.

Finding: In review of the staff records, it was determined the program did not have at least one child care staff member present/scheduled to be present during all hours of operation with currently valid documentation for health and safety trainings.

The following was observed: First Aid, CPR and Communicable Disease – child care staff members scheduled during the hours of 6:00am and 6:00pm had expired training.

Refer to the Employee Record Chart for specific details. Submit the program’s corrective action plan, which includes verification of complete coverage for any training listed, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Staff TB Screening Requirements

Requirement: The program is required to have every employee provide evidence of tuberculosis (TB) screening prior to the first day of employment.

Finding: In review of the staff records, it was determined that the tuberculosis (TB) screening for 1 of 2 employees, including child care staff members, did not meet the requirement.

The following was observed: A TB screening was not on file prior to the first day of employment.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Finding: In review of 25% of the children's records, it was determined that complete child immunization records were not on file, as required, for children listed on the DCY Children's Record Review for Child Care.

The following was observed: Immunization record(s) were not on file at the center within thirty days of the child's first day of attendance and the immunization records did not include a received / printed date.

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 “Child Enrollment Form for Early Care and Education Programs” or equivalent form as required.

The following was observed as missing: Enrollment form for at least one child was not updated by either the parent or the administrator and the Enrollment form for at least one child was not signed by the administrator.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: Medical or dental emergencies, including emergency transportation.

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 03 Postings & Equipment

Rule: 5180:2-12-16 Emergency Postings

Requirement: The program is required to post emergency phone numbers.

Findings: During the inspection, it was determined emergency numbers are not posted in all spaces used by children as required. Need the 10 digit phone number for EMS. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 05 Health & Safety

Rule: 5180:2-12-16 Emergency Drills

Requirement: The program is required to complete fire drills, weather drills, and emergency/lockdown drills appropriately.

Findings: During the inspection, it was determined drills are not conducted or are not correctly documented. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 05 Health & Safety

Rule: 5180:2-12-16 Management of Communicable Disease

Requirement: The program is required to post the DCY 08087 "Ohio Communicable Disease Chart".

Findings: During the inspection, it was determined the most current Communicable Disease chart is not posted as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-23 2026 Diapering and Toilet Training - Supplies

Requirement: The program is required to launder diapers according to manufacturer's guidelines.

Findings: During the inspection, it was determined the program did not store or launder cloth diapers or clothing as required. Diaper pail in the infant / toddler space did not have a lid and was at their level making soiled diapers easily accessible. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time

Domain: 10 Written Policies & Procedures

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Findings: During the inspection, it was determined the program’s policies and procedures handbook does not contain all items as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
