Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

No Moderate Risk Non-Compliances were observed during this inspection

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Food Service Requirements
Code: The program is required to obtain written permission from the food service license holder if operating under the food service license of another entity at the same location.

Finding: During the inspection, it was determined the program was operating under a food service license held by another entity at the same location and did not have written documentation granting permission from that entity. Submit the program's corrective action plan, which includes a copy of the written documentation granting permission, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-11 Outdoor Play Fall Zones
Code: The program is required to provide fall zones around equipment to prevent injury if a child were to fall.

Finding: During the inspection, it was determined the fall zone under and around equipment designated for climbing, swinging, balancing and sliding did not meet the requirements as noted in number(s) 1 below:

1. The fall surface material had not been properly distributed or raked as needed to retain proper depth under and around equipment.
2. A fall zone hazard was present, in that, the [ ] posed a risk of injury if a child were to fall from a piece of equipment.
3. The fall zone was less than 3 feet from the fence for equipment used by children 23 months of age and younger.
4. The fall zone was less than 6 feet from the fence for equipment used by children 24 months of age and older.
5. There was not a fall zone of 3 feet in all directions from the perimeter of the equipment used by children 23 months of age and younger.
6. There was not a fall zone of 6 feet in all directions from the perimeter of the equipment used by children 24 months of age and older.
7. The fall zone was less than 4 1/2 feet from each piece of applicable equipment used by children 23 months of age and younger.
8. The fall zone was less than 9 feet from each piece of applicable equipment used by children 24 months of age and older.
9. Other [ ].

The program is required to provide adequate fall zones under and around outdoor play equipment at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
