Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule.

The following was observed: The tracking method did not remain with the group at all times and was not consistently updated.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/19/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: Chairs were stacked 3 chairs higher than the children's heads.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
