Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements

Requirement: The program is required to allow ODJFS access to all areas of the program where child care is provided.

Finding: During the inspection, Department staff was denied access by the program, in that someone came to the door and looked out. The walked away and stood in the classroom door talking to someone. Licensing knocked repeatedly, however, the staff just looked at out at me. I placed my state ID up against the glass but the staff continued to look at me. She then put her finger up as to say one minute and got on the phone. I continued to knock, but staff threw up her arms and walked away.

The rule requires the program to provide access to Department staff for the purpose of conducting inspections. Provide staff training.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement that training was provided and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/10/2026
