Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration
Code: The program staff is required to administer medication following the instructions on the JFS 01217 "Request for Administrator of Medication for Child Care" form or attached prescription label.

Finding: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 “Request for Administration of Medication for Child Care” form or attached prescription label were not followed as noted in number 1 below:

1. Medication had been administered to a child at the center at a different time than directed.
2. Medication was administered to a child for a longer or shorter period of time than directed.
3. The dose administered did not match the dosage required by the manufacturer’s directions.

4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
5. A child was administered the wrong medication provided to the program for that child.
6. Other: [ ].

Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records
Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in numbers 3, 4, 6, 7 & 9 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the full name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.
9. The record/tracking method did not remain with the group at all times

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
