Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Finding: "During the inspection, a hazardous item or toxic substance was where children had access to it.

The following was observed: Two chemical toxic cleaning sprays were on the shelves directly near children and where children had access to it.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule."

Corrective Action Plan Due: 09/11/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **05 Health & Safety**

Rule: 5180:2-12-16 Emergency Drills

Requirement: The program is required to complete fire drills, weather drills, and emergency/lockdown drills appropriately.

Finding: During the inspection, it was determined that the required drills were not completed.

The following was observed as not being complete: Emergency lock down drills were not completed or documented.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
