Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 00 License & Approvals

Rule: 5180:2-12-04 Building Department Inspection

Requirement: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number(s) 7 below:

1. The [ ] room or space was not approved.

2. Children under school age were being cared for in a building only approved for school age.

3. The space had been modified and not yet re-inspected and approved.

4. The [ ] floor, which had not been approved by the building department for child care, was being used.

5. The building limitation had been exceeded. [ ] children were being cared for and the building had been approved for [ ] children.

6. The [ ] room(s) occupancy had been exceeded. [ ] children were being cared for in this space that had been approved for [ ] children.

7. Care was provided to children less than two and one-half years of age. This violated the program's building code limitation in that, the school age room is not approved for children under 2 1/2 years of age.

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-04 Fire Inspection

Requirement: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.

2. The documentation for the most recent fire inspection contained violations that had not been corrected.

3. The [ ] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/18/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 8 children was determined to have occurred for the Toddler group when the situation in number(s) 1 below occurred:

1. A child care staff member stepped out of the room.

2. A child care staff member had not arrived at work on time.

3. Children were present who were not scheduled to be there.

4. A child care staff member was unable to work.

5. A child was injured in that group.

6. A child arrived in the group before a second staff member was scheduled to arrive with the group.

7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.

9. Ratio was doubled for more than two hours while children were napping.

10. Ratio was doubled while children were napping for a group that included at least one infant.

11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.

12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.

13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.

14. The child care staff member did not return to the group after allowing access to the school age only program.

15. Other

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/18/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number [ ] below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.

2. The fencing had missing slat boards through which children could leave the playground.

3. The gate was broken and did not close.

4. The latch on the gate was broken.

5. The gate had no latch.

6. The fencing was broken.

7. The latch was easily opened by children on the playground.

8. The latch was not engaged to prevent children from opening the gate.

9. The portable fencing approved for use by the Department was not being used.

10. Other (The gate was broken and could not close properly. The fence in the back of the playground was bent upwards with a space big enough for a child to get out. The fence also had sharp metal points sticking out. The playground is located next to the roadway.)

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **05 Health & Safety**

Rule: 5180:2-12-22 Meal and Snack Requirements

Requirement: The program is required to ensure supplemental food is on-site at the center.

Finding: During the inspection, it was determined the program did not have supplemental food on-site to ensure no child goes more than four hours without at least a snack or a meal, except when sleeping. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule. (Children went more than four hours without at least a snack or meal.)

Corrective Action Plan Due: 07/18/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements

Requirement: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 12/30/25. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the

report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/18/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 5 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: (Children were running from room to room.)

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/18/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 1,4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;

4. The tracking method did not remain with the group at all times;

5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/18/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2 below:

1. No attendance record was being maintained.

2. The attendance record was not being consistently completed.

3. The record did not include the name of at least one child.

4. The record did not include the birth date of at least one child.

5. The record did not include the assigned group.

6. The record did not include the child's weekly schedule.

7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.

8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/18/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being as noted in number(s) 5,9,12 below:

1. Surge protectors/outlets did not have childproof receptacle covers.

2. Open pull cords that are not closed loop.

3. Toys or other items small enough to be swallowed were present in the space where infants and/or toddlers were in care.

4. Electrical/extension cords attached to an object that would not likely result in a severe injury if pulled.

5. Stacked chairs. (Toddler)

6. Employee(s) purse(s).

7. Diaper bags.

8. Television not securely anchored.

9. Small or lightweight pieces of shelving units are not securely anchored to the wall.

10. Smoke detector needing batteries replaced.

11. An area rug did not have a nonskid backing.

12. An area rug presented a tripping hazard. (All Rooms)

13. A floor surface that was unsafe in that [ ].

14. No platform was provided for the sink or toilet in the [ ] classroom.

15. The platform provided for the sink or toilet in the [ ] classroom was not sturdy.

16. The platform provided for the sink or toilet in the [ ] classroom posed a safety hazard in that [ ].

17. Telephone cords.

18. Staff member stepped over a barrier/gate while holding a child.

19. Emergency exits were blocked by the following classroom furniture: [ ].

20. A mercury thermometer was being used to take a child's temperature.

21. Methods of ventilation used did not provide protection from rodents, insects, or other hazards.

22. Other [ ].

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: **03 Postings & Equipment**

Rule: 5180:2-12-17 Materials and Equipment

Requirement: The program is required to provide equipment appropriate for the children in the program in sufficient quantities that all children can be actively involved. Play materials must be accessible to the children and arranged in an orderly manner.

Finding: During the inspection, it was determined that equipment, materials and furnishings provided for indoor and outdoor play did not meet the requirement of the rule as noted in number(s) 4 below.

1. Equipment and materials were not varied and adequate to meet the developmental needs of the children.

2. Equipment and materials were not provided in a sufficient quantity that each child can be actively involved in an activity.

3. Play materials were not readily accessible to the children in the [ ] classroom.

4. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the all classroom. (Toys were everywhere in all classrooms.)

5. Durable, child-sized or safely adapted furniture was not provided for children in the [ ] classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: **05 Health & Safety**

Rule: 5180:2-12-22 Meal and Snack Requirements

Requirement: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in number(s) 1,3,5 below.

1. The menu was not posted.

2. The posted menu was not in a visible place readily accessible to parents.

3. The menu was not currently dated.

4. The entire menu was substituted.

5. At least one item on menu did not match what was served.

6. The meal or snack served did not match the posted menu.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: **05 Health & Safety**

Rule: 5180:2-12-22 Meal and Snack Requirements

Requirement: The program is required to serve varied, nutritious meals and snacks.

Finding: During the inspection, it was determined the program did not serve varied meals and snacks in that the program served a repetitive meal and/or snack each day for the week. Technical assistance was provided at the time

of the inspection, and as discussed, please correct this rule noncompliance. A written response to this rule noncompliance is not required at this time. (Pizza for dinner every night.)

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to receive a preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: During the inspection, it was determined that a child care staff member, with preliminary approval on file, had sole responsibility of children in the infant group(s) and the JFS 01176 "Program Notification of Background Check Review for Child Care" was not on file as required. Submit the program's corrective action plan, which includes a copy of the JFS 01176 or a statement that the child care staff member(s) no longer have sole responsibility of children, to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-07 Administrator Qualifications

Requirement: The program is required to maintain a qualified administrator.

Finding: During the inspection, it was determined the program did not have a qualified administrator as noted in number(s) 1 below:

1. There is no qualified administrator
2. The appointed administrator's CDA has expired
3. The appointed administrator's CPL no longer meets qualifications
4. Other [ ]

Submit additional documentation of education qualifications/experience as outlined in Appendix A of this rule, or a new individual must be appointed and documentation submitted. To name a new administrator, an administrator amendment must be submitted through the licensing system, OCLQS. Submit the program's corrective action plan, which includes documents to support qualifications for the newly requested administrator, to the Department to verify compliance with the requirements of this rule.
