Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5180:2-13-25 Medication Requirements
Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Findings: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication, medical food or a prescription topical product to a child as noted in number 10 below:

1. The JFS 01217 “Request for Administration of Medication for Child Care” was not on file for a medication, medical food, or prescription topical product that was not required by a JFS 01236 "Child Medical/Physical Care Plan for Child Care".
2. The child’s name was missing on the JFS 01217.
3. The child’s date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child’s weight was missing on the JFS 01217 and was needed to determine the correct dosage.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.

9. The medication's expiration date was missing on the JFS 01217.
10. The Parent/Guardian's dated signature was missing on the JFS 01217.
11. Physician instructions were missing on the JFS 01217.
12. Possible side effects were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [ ], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 05 Health & Safety

Rule: 5180:2-13-16 Emergency Preparedness and Response Plan
Code: The program is required to train child care staff members and employees on the written emergency preparedness and response plan annually and keep written documentation of the training on-site.

Findings: During the inspection, it was determined the program's written emergency and preparedness and response plan did not meet the requirement for training child care staff members and employees on the plan annually as noted in number 1 below:

1. Child care staff members and employees were not trained annually.
2. Written documentation of the training was not kept on file.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/21/2025

Domain: 08 Staff Files

Rule: 5180:2-13-07 Staff Records
Code: The provider is required to maintain current employee, child care staff members and resident records in the Ohio Professional Registry.

Ohio Department of Children & Youth

Findings: During the inspection, it was determined that employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 6,7 & 10 below:
1. The provider had not created or updated their individual profile in the OPR.
2. The provider had not created or updated the program's organizational dashboard in the OPR.
3. At least one employee, child care staff member, or substitute child care staff member had not created or updated their individual profile in the OPR.
4. At least one employee, child care staff member, or substitute child care staff member had not created an employment record in the OPR for the program on or before the first day of employment, including date of hire.
5. At least one employee, child care staff member, or substitute child care staff member had not updated changes to positions or roles in the OPR within five calendar days of the change.
6. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's scheduled days and hours changed.
7. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's group assignments changed, if applicable.
8. The program's organizational dashboard in the OPR was not updated with the employment end date within five business days when at least one employee, child care staff member, or substitute child care staff member ended employment.
9. At least one resident over the age of eighteen had not created a profile and employment record for the family child care provider within five days of becoming a resident or turning eighteen.
10. The program's organizational dashboard in the OPR was not updated within five calendar days of a change in residency for at least one resident over the age of eighteen.

Corrective Action Plan Due: 08/21/2025

Domain: 08 Staff Files

Rule: 5180:2-13-08 Child Care Staff Requirements
Code: The program staff is required to have educational verification on file at the program.

Findings: In review of the staff records, it was determined that verification of a high school education for the child care staff member listed on the Employee Record Chart, did not meet the requirements as listed in number 3 below:

1. Verification of completion of a high school education was not on file.
2. Documentation was not on file to verify that that a high school graduate was at least 16 years of age.
3. Documentation of a high school education was not on file for a person, counted in the staff/child ratio, and therefore was used as a Child Care Staff Member.

Submit the program’s corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.
