Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:06 Program Information

Rule: 5180:2-12-14 Transportation - Vehicle Requirements
Code: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Allegation: The complainant alleged that the program was using an unsafe vehicle that had not been inspected as required.

Determination: Substantiated

Findings: During the inspection, it was determined the program used a vehicle to transport children that was not approved and/or did not have a current annual vehicle inspection indicating the vehicle was mechanically safe as noted in number(s) 2 below:

1. The program used a converted cargo van or passenger vans designed to carry ten or more passengers. The program must cease the use of this vehicle immediately.
2. The vehicle was not inspected. (no annual inspection for the van on file)
3. The vehicle was inspected by someone other than an ASE certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector or the Ohio State Highway Patrol.
4. The vehicle inspection was not updated annually.
5. The vehicle inspection completed from the Ohio Highway Patrol did not meet the rule requirement.
6. The annual safety check of the vehicle(s) used by the program to transport children noted repairs or corrections that had not been completed and/or documented. The safety violations need to be corrected immediately.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the JFS 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Risk Level: Moderate

Domain:06 Program Information

Rule: 5180:2-12-14 Transportation - Vehicle Requirements
Code: The program is required to complete and document weekly inspections of vehicles used to transport children.

Allegation: The complainant alleged that weekly inspections were not being completed as required on the vehicle

Determination: Substantiated

Findings: During the inspection, it was determined that the program had not performed and/or documented weekly inspections of vehicles used for transporting children. The weekly inspection needs to include the following:

1. A visual inspection of the tires for wear and tire pressure
2. A visual inspection of headlights, taillights, signals, mirrors, wiper blades, and dash gauges

Ohio Department of Children & Youth

3. An inspection for properly functioning child and driver restraints
4. An inspection for properly functioning doors and windows
5. An inspection for, and cleaning of, debris from inside the vehicle

Submit the program's corrective action plan, which includes a copy of the documented weekly inspection of vehicles, to the Department to verify compliance with the requirements of this rule.

Risk Level: Low
