Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-13-11 Outdoor Space
Code: The program is required to have an outdoor play space free from immediate risk.

Findings: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 1 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The latch was not engaged to prevent children from opening the gate.
9. The portable fencing approved for use by the Department was not being used.
10. Other [ ].

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-13-12 Safe Environment
Code: The program is required to store cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Findings: During the inspection, cleaning and sanitizing equipment and supplies were not used or stored properly as noted in number 6 and 11 below: Laundry detergent and fabric softner were on top of the front loading Washing Machine. These items were out of the reach of infants, toddlers and preschoolers, but school age children could reach.
Two gas cans were in the garage. Children could reach the gas cans if they were to walk or run to the other side of garage.

1. Cosmetics were accessible to children in the [ ] area.
2. Disinfecting wipes were accessible to children in the [ ] area.
3. Fish food was accessible to children in the [ ] area.
4. Hand lotion was accessible to children in the [ ] area.
5. Hand sanitizer (for children under 24 months) was accessible to children in the [ ] area.
6. Laundry detergent was accessible to children in the laundry room area.
7. Powder dish washing soap was accessible to children in the [ ] area.
8. Paint cans were accessible to children in the [ ] area.
9. White out was accessible to children in the [ ] area.
10. Potting Soil was accessible to children in the [ ] area.
11. Other potentially hazardous substance gas cans were accessible to children in the garage area.
12. Cleaning/sanitizing supplies had not been clearly labeled.
13. School-age children were using cleaning supplies, agents and/or equipment without adult supervision.
14. A spray aerosol was used in the [ ] group while children were in attendance.
15. Other: [ ].

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance is no longer accessible to children and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/16/2024

Domain: 08 Staff Files

Rule: 5101:2-13-07 Staff Records
Code: The provider is required to maintain current employee, child care staff members and resident records in the Ohio Professional Registry.

Findings: During the inspection, it was determined that employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in numbers 1, 2, 3, 4
below:
Provider did add in her Type A, but records were not transferred from the Type B. Provider thought she had completed what she needed to do for OCCRRA.

1. The provider had not created or updated their individual profile in the OPR.
2. The provider had not created or updated the program's organizational dashboard in the OPR.
3. At least one employee, child care staff member, or substitute child care staff member had not created or updated their individual profile in the OPR.
4. At least one employee, child care staff member, or substitute child care staff member had not created an employment record in the OPR for the program on or before the first day of employment, including date of hire.
5. At least one employee, child care staff member, or substitute child care staff member had not updated changes to positions or roles in the OPR within five calendar days of the change.
6. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's scheduled days and hours changed.
7. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's group assignments changed, if applicable.
8. The program's organizational dashboard in the OPR was not updated with the employment end date within five business days when at least one employee, child care staff member, or substitute child care staff member ended employment.
9. At least one resident over the age of eighteen had not created a profile and employment record for the family child care provider within five days of becoming a resident or turning eighteen.
10. The program's organizational dashboard in the OPR was not updated within five calendar days of a change in residency for at least one resident over the age of eighteen.
11.Other: []
Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
