Department of Children & Youth

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Allegation: It is alleged that the program staff is leaving the classroom and children are being left unsupervised.

Determination: Substantiated

Findings: During the inspection, it was determined that children were left unattended while inside the program, as noted in number 1 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain:07 Diapering & Infant Care

Rule: 5180:2-12-20 Cribs
Code: The program is required to refrain from storing materials and equipment in cribs.

Findings: During the inspection, it was determined that a crib, assigned to a child, was used for storage. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain:09 Children's Files

Rule: 5180:2-12-15 Medical/Physical Care Plans
Code: The program is required to ensure that there is at least one child care staff member who has signed the JFS 01236 "Child Medical/Physical Care Plan for Child Care" caring for the child at all times when a child with a health condition is present.

Findings: During the inspection, it was determined a child with a condition that required a JFS 01236 "Child Medical/Physical Care Plan" had been present and the program did not ensure there was at least one child care staff member caring for the child at all times who had signed the JFS 01236 on the child's condition. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
