Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number(s) 2 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.

12. A well.

13. Environmental hazard(s) confirmed by local authorities having jurisdiction over the hazard.

14. A crockpot used to heat bottles.

15. Immediate access to a knife.

16. Large or heavy pieces of shelving units are not securely anchored to the wall.

17. Washer/dryer is stacked and not secured to the wall.

Any hazardous equipment must be removed, replaced, or repaired and any hazardous condition must be corrected and must be made inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that the item or condition has been removed and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/03/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as listed in number(s) 5 below, as required in rule.

1. At least one staff/child did not wash their hands upon arrival for the day.

2. At least one staff/child did not wash their hands prior to departure.

3. At least one staff did not wash their hands upon entry into a classroom.

4. At least one staff/child did not wash their hands after toileting or assisting a child with toileting.

5. At least one staff/child did not wash their hands after each diaper change or pull-up change.

6. At least one staff did not wash their hands after contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.

7. At least one child did not wash their hands after contact with bodily fluids.

8. At least one child did not wash their hands after returning inside after outdoor play.

9. At least one staff did not wash their hands after cleaning or sanitizing or using any chemical products.

10. At least one staff/child did not wash their hands after handling pets, pet cages or other pet objects that have come in contact with the pet.

11. At least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child.

12. At least one child did not wash their hands before eating or assisting with food preparation.

13. At least one staff did not wash their hands before and after completing a medical procedure or administering medication.

14. At least one child did not wash their hands after water activities.

15. At least one staff/child did not wash their hands when visibly soiled (must use soap and water).

16. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/03/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing [breast milk/formula] for a particular infant were not labeled with the child's name and date of preparation. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Medical Statement

Requirement: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 1 below.

1. A medical statement was not on file for at least one employee;

2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;

3. Date of examination was missing;

4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;

5. A statement was missing that verifies the employee is:

a. Physically fit for employment in a program caring for children;

b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);

c. Immunized against Measles, Mumps, and Rubella (MMR);

6. Tuberculosis (TB) screening/test information was missing:

a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.

b. Results of a TB test for employees meeting both criteria in 6a.

c. Results of additional testing for employees with a positive TB test.

d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Written Disaster Plan

Requirement: The program is required to have a written disaster plan.

Finding: During the inspection, it was determined the program's written disaster plan did not meet the requirement or was missing the information in number(s) 11 below:

Procedures:

1. The written disaster plan had not been completed

2. The plan was not provided to all child care staff and employees

3. The plan was not used to respond to an emergency or disaster situation

4. Weather emergencies and natural disasters which include severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms or earthquakes

5. Emergency outdoor and indoor lockdown or evacuation due to threats of violence which includes active shooter, bioterrorism or terrorism

6. Emergency or disaster evacuations due to hazardous materials and spills, gas leaks or bomb threats.

7. Outbreaks, epidemics or other infectious disease emergencies

8. Loss of power, water, or heat

9. Other threatening situations that may pose a health or safety hazard to the children in the program

Details:

10. Shelter in place or evacuation, how the program will care for and account for the children until they can be reunited with the parent

11. A designated safe site where staff and children can safely remain when evacuated.

12. Assisting infants, toddlers and children with special needs and/or health conditions

13. Emergency contact information for parents and the program

14. Procedures for notifying and communicating with parents regarding the location of the children if evacuated

15. Procedures for communicating with parents during loss of communications, no phone or internet service available

16. The location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place

17. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip

18. Making the plan available to all child care staff members and employees

19. Training of staff or reassignment of staff duties as appropriate

20. Updating the plan on a yearly basis

21. Contact with local emergency management officials

Make the necessary revisions to the disaster plan. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/03/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Written Disaster Plan

Requirement: The program is required to train child care staff members and employees on the written disaster plan annually and keep written documentation of the training on-site.

Finding: During the inspection, it was determined the program's written disaster plan did not meet the requirement for training child care staff members and employees on the plan annually as noted in number(s) 1 below:

1. Child care staff members and employees were not trained annually.

2. Written documentation of the training was not kept on file.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
