Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Department of Children & Youth

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program.

The following was observed: infant teacher left the classroom to change a diaper, and 2 infants were left in the classroom alone.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation - Vehicle Requirements

Requirement: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Finding: During the inspection, it was determined the program used a vehicle to transport children that was not approved and/or did not have a current annual vehicle inspection indicating the vehicle was mechanically safe.

The following was observed: annual inspection for the vehicle used by the program with vin ending 2010 was expired. Documentation provided by the program showed the last inspection was completed 5/20/2025.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the DCY 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart.

The following was observed: background check was not updated

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements

Requirement: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 11/10/25. The rule requires the program to complete and submit a corrective action plan in the Ohio statewide licensing system to address non-compliances detailed in written inspection reports within the timeframe outlined in the report.

Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served with child care staff members who meet the requirements.

Finding: During the inspection, it was determined that children were being supervised by an individual who did not meet the requirements of a child care staff member or was not at least two years older than the child(ren). Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised.

The following was observed: while using the approved field children were too far away from CCSM to be able to react in an emergency.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record.

The following was observed: children not marked in time of arrival in toddler, school age, ps; child's name and date of birth were missing from preschool attendance.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule.

The following was observed: school age attendance sheet/method of tracking was not kept with group at all times.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good condition, or other barrier. Although the fence or natural barrier was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The fence or gate was not in good condition and/or being used inappropriately.

The following was observed: school aged children were observed playing at the top of the hill in close proximity to a gated access road and a pedestrian bicycle/walking path. The area approved for play includes the area at the bottom of the hill which provides enough distance between the access road and the non-fenced field.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements.

The following was observed: verification of high school graduation or enrollment in ECE program was not on file.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Staff Immunization Records

Requirement: The program is required to have every employee provide immunization records.

Finding: In review of the staff records, it was determined that the immunization records for 1 employee, including child care staff members, did not meet the requirement.

The following was observed: immunization record for employee hired 5/21/26 was not on file.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed: First aid, CPR, child abuse not completed or expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Finding: In review of 25% of the children's records, it was determined that complete child immunization records were not on file, as required, for children listed on the DCY Children's Record Review for Child Care.

The following was observed: immunization record not on file

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: information regarding medical and dental emergencies; emergency numbers for medical, dental and emergency squad were missing; address of designated safe site where children can safely locate and remain when evacuated.

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
