Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: "Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined the program did not protect children from an unsafe item, condition or equipment.

The following was observed:

• Fiskars paper cutter in drawer

Any hazardous equipment must be removed, replaced, or repaired and any hazardous condition must be corrected and must be made inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that the item or condition has been removed and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart.

The following was observed:

• The request for a background check for child care was not submitted in the OPR.

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/02/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 ""Health Care Plan Documentation & Permission to Administer Medication"" or equivalent form.

The following was observed:

• Name of the medication/medical food was missing or not attached.

• Dosage of medication/medical food to be administered was missing or not attached.

• Time for medication/medical food to be administered was missing or not attached.

• Expiration date for medication/medical food was missing or not attached.

• Specific instructions to administer the medication/medical food were missing or not attached.

• Instructions regarding emergency evacuation, if applicable, were missing.

• Signature of parent granting permission to implement the plan and verifying training was missing.

• Date of parent signature was missing.

• Date of trainer signature was missing.

• Printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing.

• Signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing.

• Date of staff signature was missing.

• Administrator/Provider signature was missing.

• Date of Administrator/Provider signature was missing.

• Child's name was missing.

• Name of medication or medical food was missing.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/02/2026

Domain: 09 Children's Files

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to obtain parent permission and retain current documentation to administer medications. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food or a prescription topical product to a child.

The following was observed:

- A prescription label was not attached to the prescription medication.

Submit the program's corrective action plan, which includes the completed written parent permission for each child needed, record of medication administration, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/02/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: 00 License & Approvals

Rule: 5180:2-12-04 Food Service Requirements

Requirement: The program is required to obtain written permission from the food service license holder if operating under the food service license of another entity at the same location.

Finding: During the inspection, it was determined the program was operating under a food service license held by another entity at the same location and did not have written documentation granting permission from that entity.

Submit the program's corrective action plan, which includes a copy of the written documentation granting permission, to the Department to verify compliance with the requirements of this rule.

Findings:During the inspection, it was determined that current copies of the DCY01234 were not easily and quickly accessible to be removed from the program if there is an emergency that requires the children to be moved to another location. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
Corrective Action Plan Due: 10/02/2026

Domain: **09 Children's Files**
Rule: 5180:2-12-15 Child Health Care Plans
Requirement:The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.
Findings:In review of the children’s records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 ""Health Care Plan Documentation & Permission to Administer Medication"" or equivalent form.

The following was observed:
• Name of the medication/medical food was missing or not attached.
• Dosage of medication/medical food to be administered was missing or not attached.
• Time for medication/medical food to be administered was missing or not attached.
• Expiration date for medication/medical food was missing or not attached.

• Specific instructions to administer the medication/medical food were missing or not attached.
• Instructions regarding emergency evacuation, if applicable, were missing.
• Signature of parent granting permission to implement the plan and verifying training was missing.
• Date of parent signature was missing.
• Date of trainer signature was missing.
• Printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing.
• Signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing.
• Date of staff signature was missing.
• Administrator/Provider signature was missing.
• Date of Administrator/Provider signature was missing.
• Child's name was missing.
• Name of medication or medical food was missing.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.
