Department of Children & Youth

Licensing Inspection Full Report

Approved child day camp programs are inspected at least once each year. Non-compliances are documented in the inspection report. Documenting statements, technical assistance provided and supplemental information may also be included in the report. Inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with an inspection finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-18-04 details the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the inspection report.

Non-Compliances

This section includes rule violations that are observable and/or based on facts.

Domain: 24 Policies and Procedures

Rule: 5101:2-18-10 Emergency, disaster, and health-related plans
Requirement:

Findings: Based upon the investigation, the alleged rule violation was determined unsubstantiated due to the camp not having a sharps container at the wooded site and one not at the Thurgood Marshall building that was seen.

Domain: 28 Transportation and Field Trips

Rule: 5101:2-18-12 Transportation and Field Trips
Requirement: Approved child day camps must have emergency information available on all trips.

Findings: "During the inspection, it was determined that the items in number(s) 1, 2, 3 and 6 below were not available on a walking trip (field or routine).

1. Written and signed permission from the parent that includes reequired information from Appendix A.

2. Copies of the written information required in the child's file for each child on the trip, except routine walks.

3. Written medical form for any child who has a health condition which could require special procedures or precautions during the course of the trip and required supplies.

4. Working cellular phone or other means of immediate communication.

5. Written record of which vehicle each child is being transported in and the cellular phone number of the adult in that vehicle who could be contacted in an emergency.

6. A staff member trained in cardiopulmonary resuscitation (CPR) and first aid was not present in the vehicle for routine trips and field trips and at the destination on all field trips.

7. Children and/or adults were not utilizing seat belts and/or were permitted to stand, sit on the floor, or ride in a vehicle where all seats were not anchored.

8. Ensure that reasonable accommodations are provided for children with special health needs, so that children are not excluded from trips because of special health needs. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule."

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

In Compliance/Not Verified/Previously Verified/Not Applicable
