Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

school age	School-Age to < 11 years	0 to 0	The program does not have any children enrolled and is not currently operating. They have been counseled to consider submitting a temporary closure request.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Rule: 5180:2-12-04 Fire Inspection
Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

Ohio Department of Children & Youth

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [ ] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-04 Food Service Requirements
Code: The program is required to obtain and maintain a valid food license if they prepare and/or serve food. The program is required to correct any food service violations to maintain their food service license.

Finding: During the inspection, it was determined that the program failed to obtain or maintain a valid food service license as noted in number(s)3 below:

1. The program was unable to obtain the food service license due to violations.
2. The program was unable to maintain the food service license due to violations.
3. The program prepared and/or served food without obtaining a valid food service license or exemption. The program is connected to a site with a kitchen, and the connected kitchen does not hold a valid food service license. The program was initially provided an exemption and the exemption allowed for food to be served from the connected kitchen with a level 3 license, or provided by an ODA registered entity. The program was cited in January by the health department for not maintaining the license, ODA registration, or exemption. The program must submit a valid food service license, exemption, and/or ODA registration in accordance with the local health department. The local health department must be contacted so the health official may determine whether the program meets exemption status, or whether the program needs a food service license.

Submit the program's corrective action plan, which includes a copy of the food service license or exemption status, to the Department to verify compliance with the requirements of this rule.
