Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-04 Building Department Inspection

Requirement: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number 3 below:

1. The [ ] room or space was not approved.

2. Children under school age were being cared for in a building only approved for school age.

3. The space had been modified and not yet re-inspected and approved.

4. The [ ] floor, which had not been approved by the building department for child care, was being used.

5. The building limitation had been exceeded. [ ] children were being cared for and the building had been approved for [ ] children.

6. The [ ] room(s) occupancy had been exceeded. [ ] children were being cared for in this space that had been approved for [ ] children.

7. Care was provided to [ ] children less than two and one-half years of age. This violated the program's building code limitation in that, [ ].

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, required staff/child ratios were not maintained for [the same group/different groups] on multiple occasions, as noted below:

The ratio determined for the preschool group was 2 Child Care Staff Members for 15 children (included young toddlers.) Additionally, a ratio of 1 Child Care Staff Member for 13 children (included 3 year olds) was determined for the preschool/school age group

Additional staff members must be hired or current Child Care Staff Members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/17/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Group Size

Requirement: The program is required to maintain the appropriate group size for each group of children served.

Finding: During the inspection, group size limitations were not maintained for the group of toddlers/preschool and school age as it was determined there were 15 children grouped together. The group size shall not exceed twice the maximum number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
