# Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

## Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

## Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

**No serious risk non-compliances were observed during this inspection**

Department of Children & Youth

## Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-04 Fire Inspection

Requirement: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.

2. The documentation for the most recent fire inspection contained violations that had not been corrected.

3. The [ ] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-22 Meal and Snack Requirements

Requirement: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack at the program did not meet the requirements as noted in number(s) 9 below:

1. The breakfast served did not include foods from three of the four food groups.

2. Snack served did not include foods from two of the four food groups.

3. The meal did not provide 1/3 of the recommended daily dietary allowances as specified by the USDA.

4. Juice used to meet the fruit or snack component was not 100% undiluted fruit or vegetable juice.

5. The meal served did not include an item from the meat or meat alternative group.

6. The meal served did not include an item from the bread or grain group.

7. The meal served did not include two items from the fruit/vegetable group.

8. The meal served did not include a vegetable (two fruits were served).

9. The meal served did not include a serving of fluid milk.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-25 Medication Administration

Requirement: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food or a prescription topical product to a child as noted in number(s) 19 below:

1. The JFS 01217 “Request for Administration of Medication for Child Care” was not on file for a medication, medical food, or prescription topical product that was not required by a JFS 1236 ""Child Medical/Physical Care Plan for Child Care"".

2. The child’s name was missing on the JFS 01217.

3. The child’s date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.

4. The child’s weight was missing on the JFS 01217 and was needed to determine the correct dosage.

5. The name of the medication was missing on the JFS 01217.

6. The exact dose was missing on the JFS 01217.

7. The time to administer was missing on the JFS 01217.

8. The time period to administer was missing on the JFS 01217.

9. The medication's expiration date was missing on the JFS 01217.

10. The Parent/Guardian’s dated signature was missing on the JFS 01217.

11. Physician instructions were missing on the JFS 01217.

12. Possible side effects were missing on the JFS 01217.

13. Physician’s dated signature was missing on the JFS 01217.

14. Physician’s phone number was missing on the JFS 01217.

15. Date medication was administered was missing on the JFS 01217.

16. Time medication was administered was missing on the JFS 01217.

17. Dosage administered was missing on the JFS 01217.

18. Staff member’s signature was missing on the JFS 01217.

19. A prescription label was not attached to the prescription medication.

20. The medication or product, [ ], was not brought to the program in its original container.

21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
