Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored where children present had access. The potentially hazardous substance or item that posed a risk to children was determined to be accessible to children.

The following potentially hazardous substance or item was accessible to children: a spray cleaner containing bleach was accessible to children in the bathroom.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-13-18 Attendance

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record.

The following was observed: Attendance records were not available for the week of 9-27-26.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-13 Clean environment and equipment

Requirement: The program is required to clean daily.

Finding: During the inspection, it was determined that the environment, furniture, materials, and/or equipment were not kept in a sanitary condition at all times.

The following was observed: food stains on the floor in the kitchen and noticeable debris on the floor in the entrance to the restroom.

The home shall be cleaned daily. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-13-16 Medical, Dental, and General Emergency Plan

Requirement: The program is required to post the fire and weather alert plan with a diagram.

Finding: During the inspection, it was determined the posted weather and fire alert plan did not meet the requirements in rule.

The following was observed: the weather and fire alert plan were not posted in the living room and the kitchen.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 11/04/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-16 Emergency Drills

Requirement: The program is required to complete and document the required drills.

Finding: During the inspection, it was determined that the required drills were not completed.

The following was observed as incomplete: Fire drills were not completed for the months of June, July, and September. Weather drills were not completed for the months of June, July, and August. Lockdown drills were not completed in the 2nd or 3rd quarter of the year.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-07 Provider Responsibilities

Requirement: The provider is required to maintain the required liability insurance or have a completed DCY 01933 "Liability Insurance Statement for Family Child Care Providers" on file for each child in care.

Finding: During the inspection, it was determined the provider did not have a completed liability form for each child enrolled as required. Correct the violation and submit proof of insurance with the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 11/04/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-13-07 Written Policies and Procedures

Requirement: The program is required to have policies and procedures for all items listed in this rule.

Finding: On the day of the inspection, the program's written policies and procedures provided to the parents/guardians and employees was missing item(s).

The following was observed as missing/outdated:

- In the staff/child ratio section, the maximum number of children needs updated to 7.

- In the section regarding opportunities for parent involvement in activities, the Written Information stated parents are encouraged to attend field trips. As the program does not provide transportation, this must be removed.

-In the section about Enrollment Information, it states children must have a medical statement. This is no longer the case. For children not yet attending a grade of Kindergarten or above, a immunization record is required to be on file within their first 30 days of attendance at the program.

- A written security plan that ensures access to the home is limited to parents, guardians, and authorized persons.

- In the section regarding suspension, expulsion, and disenrollment, please add that the provider will create a written behavior plan with the parents for any child with unmanaged behavior issues.

- In the Food and Dietary Policy section, the number of food groups needs updated to 5. According to rule, milk is now offered by parent preference. And for children needing medical foods or alternate diets, the name of the required form needs updated to the DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication".

-The summary of procedures taken in the event of an emergency, serious illness of injury mentions staff. As the provider is the only staff member at this time, this needs removed.

- The section regarding administration of medications and topical products must update the name of the required form to the DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication".

- Policy regarding the program's usage of emergency medical devices and emergency medications, including but not limited to AED and Naloxone.

- A social media policy.

- A policy to prohibit staff members and employees from exposing children to inappropriate language, media, or behavior. (As the provider is the only staff, this section should explain how the provider prevents children from being exposed to inappropriate language, media, or behavior).

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 11/04/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 05 Health & Safety

Rule: 5180:2-13-16 First Aid Kit/Standard Precautions

Requirement: The program is required to meet the requirements for first aid kits.

Findings: During the inspection, it was determined the program’s first aid kit did not contain an instant ice pack as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-13-23 Infant Bottle and Food Preparation

Requirement: The program is required to retain and update infant feeding instructions.

Findings: During the inspection, it was determined the program did not have written instructions on file for each infant as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-13-15 Child Enrollment Records

Requirement: The program is required to have a completed DCY 01234 "Child Enrollment and Health Information for Child Care" or equivalent on file on the premises for each child.

Findings: During the inspection, it was determined that children's enrollment forms were not signed by the administrator as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
