Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Fall Zones

Requirement: The program is required to provide adequate fall surface for the outdoor play space.

Finding: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in number(s) 1 below:

1. No fall surface (Toddler Climber/Slide)

2. Adequate fall surface to soften the impact of a fall

3. Adequate fall surface to soften the impact of a fall that extended the length of the required fall zone

4. Other [ ]

With any equipment designed for climbing, swinging, bouncing, or sliding, resilient material, as specified in Appendix A, needs to be added in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/11/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-20 Cribs

Requirement: The program staff is required to place infants on their back to sleep unless an alternate method is indicated on a completed JFS 01235 "Sleep Position Waiver Statement For Child Care".

Finding: During the inspection, it was determined that infants younger than twelve months old were placed in a position other than on their backs to sleep. The current version of the prescribed JFS 01235 "Sleep Position Waiver Statement For Child Care" form which documents written permission for an alternative method signed by the child's physician, was not on file, as required by this rule. Discontinue this practice immediately until this waiver has been secured. Provide staff training. Submit the program's corrective action plan, which includes a copy of the prescribed form signed by both the child's physician and the parent, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/11/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **08 Staff Files**

Rule: 5180:2-12-07 Administrator Qualifications

Requirement: The program administrator is required to complete the rules course reivew within the defined time period.

Finding: During the inspection, it was determined that the administrator had not completed the required rules review course provided by this Department for program administrators within the time period defined in this rule. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/11/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements

Requirement: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number(s) 3,4,5,6,7 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.

2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.

3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.

4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.

5. At least one individual's schedule was not current.

6. At least one individual's position or role did not include an applicable group assignment.

7. At least one individual's employment had not been end dated.

8. Other: [ ]

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Medical Statement

Requirement: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 2 below.

1. A medical statement was not on file for at least one employee;

2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;

3. Date of examination was missing;

4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;

5. A statement was missing that verifies the employee is:

a. Physically fit for employment in a program caring for children;

b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);

c. Immunized against Measles, Mumps, and Rubella (MMR);

6. Tuberculosis (TB) screening/test information was missing:

a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.

b. Results of a TB test for employees meeting both criteria in 6a.

c. Results of additional testing for employees with a positive TB test.

d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to maintain a current JFS 01176 "Program Notification of Background Check Review for Child Care" on file for each staff.

Finding: In review of the staff records, it was determined that background check requirements had not been followed, for the individual(s) listed on the Employee Record Chart, as noted in number(s) 2 below:

1. The JFS 01177 "Individual Notification of Background Check Review for Child Care" was on file instead of the JFS 01176.
2. The JFS 01176 on file was for a different program.

Submit the program's corrective action plan, which includes a statement that the correct form is now on file, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/11/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number(s) 2,3,4 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.
