Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program. The following was observed: An infant was left unattended in the Infant 2 classroom and the staff members were both in the Infant 1 classroom.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/11/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart. The following was observed: The request for a background check for child care was not submitted in the OPR.

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/11/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have documentation from DCY, indicating the individual is eligible to be employed in child care, on file before allowing the staff to have sole responsibility of children.

Finding: During the inspection, it was determined that child care staff member(s) had sole responsibility of children in the Infant 2 group(s) and neither a preliminary approval nor the DCY 01176 "Program Notification of Background Check Review for Child Care" were on file as required.

Submit the program's corrective action plan, which includes a copy of the DCY 01176 or a statement that the child care staff member(s) no longer have sole responsibility of children, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/11/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record.

The following was observed: The record did not include the time (hours and minutes) of each child's arrival and departure to the program (A child in the preschool group was not signed in upon their arrival to the program.)

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/11/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule.

The following was observed: There was no method in place. (The infant group separated into two classrooms and children were on the attendance sheet in one room with half the group and the other group did not have a tracking method for the children in the second classroom.)

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/11/2026

Domain: **05 Health & Safety**

Rule: 5180:2-12-22 Meal Preparation and Nutritional Requirements

Requirement: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack served at the program did not meet the requirements.

The following was observed: The meal offered did not include an item from the fruit group for some children and an item from the vegetable group for other children.

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule."

Corrective Action Plan Due: 10/11/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training. The following was observed: Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire and the child abuse and neglect recognition and prevention training was expired

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/11/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 "Child Enrollment Form for Early Care and Education Programs" or equivalent form as required. The following was observed as missing: Complete parent information, Complete emergency contact information and emergency transportation information.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information. The following was observed as missing: Medical or dental emergencies, including emergency transportation; Emergency numbers for medical, dental, and transport-related emergencies in addition to 9-1-1; and Procedures for communicating with parents during loss of communications when no phone or internet service is available. Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
